Parliament Buildings, Toronto,
October 20th, 1898

THE W. A. FREEMAN CO., 57 Ferguson Ave., South,
Hamilton, Ontario:

Gentlemen,—Nine years ago I purchased from you
a large quantity of material known as Freeman's
Ready Roofing, with which I roofed the north half of
my barn and two sheds, 40x20 each. This year we
re-painted this roof and found it in excellent condi-
tion. A shingle riot put on part of the barn two
years before was badly in need of repair. I shall
hereafter use your ready roofing on all my out-
buildings.

Yours truly,
(Signed) F. W. Houson

Salt

DESTROYS WEEDS AND INSECTS

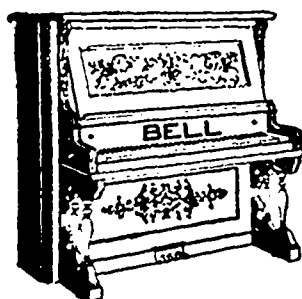

A heavy dressing of Salt is the most
effectual means of exterminating weeds
and insects. Autumn applications are
strongly recommended for this purpose.

1,000 lbs. per Acre

is necessary to destroy wire worms and
deep rooted weeds. We have a few
cars of first-class Refuse or Land Salt
on hand. Send for prices.
