There have appeared from time to time in the *FORESTER* during the past year accounts of remarkable cures in various parts of the Dominion. In each case the circumstances connected therewith had been investigated by well known newspapers, and there could be no doubt as to the entire reliability of the accounts given. Perhaps the case that attracted most attention was that of Mr. John Marshall, of Hamilton. This was not, perhaps, because his case was any more remarkable than some others, but because it was attended by some other peculiar circumstances that served to emphasize it in the minds of the public, as for instance the fact that he had been pronounced absolutely incurable by half a score of clever physicians, and was actually paid the \$1,000 disability claim allowed by the Royal Templars of Temperance. Elsewhere in the issue is given the particulars of a cure in Cape Breton, which is quite as remarkable as that of Mr. Marshall. The particulars of the case are taken from the *Halifax Herald*, but they are also vouched for by Mr. Richardson, the editor and proprietor of the *Island Reporter*, Sidney, C. B., who says that in not a single particular is the story overdrawn. We fancy we hear some reader say, "Oh, pshaw! this doesn't interest me." But it does. The story as told elsewhere is worth reading, and we will guarantee before you are through with it you will be thoroughly interested.

## Presentation to Rev. Alex. Macgillivray.

Last evening a number of the Forestry friends of the Rev. Alex. Macgillivray, pastor of the Bonar Presbyterian church on Lansdowne avenue, met at the mausoleum and presented him with a large and

beautiful upholstered study chair upon the occasion of Mr. and Mrs. Macgillivray taking possession of their new home. The presentation was made by Dr. Oronhyatekha, the Supreme Chief Ranger of the I. O. F., who referred in very eloquent terms to the high esteem in which the reverend gentleman was held by his brethren in Forestry, and which was very clearly manifested at the last meeting of the High Court for Ontario, when by unanimous vote he was elected High Vice-chief Ranger. Many other excellent qualities of the recipient were referred to. Only a few months ago he took charge of his present church, and since that time he has built up a large congregation. Rev. Mr. Macgillivray replied in feeling terms, thanking the donors for their very beautiful and useful gift and assuring them that this act of theirs in expressing their good will towards him would always be one of the brightest remembrances in life, while he valued the gift, yet he prized infinitely more highly the fact that he bore such a high place in their esteem. After thanking them again on behalf of Mrs. Macgillivray and himself he invited those present to a rich repast which was in waiting, after which a pleasant time was spent in a conversational manner. Among those present were: Dr. Oronhyatekha, J. A. McGillivray, Q.C., David Millan, D. Rose, Drs. Hunt and Millman, R. Gilray, H. Collins, C. C. Whale, W. Green, George E. Brown and G. L. Wilson.—*Empire*.
