See in our picture the words "Praise Him." We come to God's

house to worship or praise him, and we need to know how. To worship is to give God the honour that belongs to him. In his house we pray, and sing, and read, and hear his word; but folding our hands, and bowing our heads, and singing the hymns, or saying Bible words will not be worship unless we mean it all with our hearts.

Two little girls were getting ready to go to Sabbath-school, and they were very late. One said, "Let us kneel down and pray that we may not be tardy." "Oh, no," said the other, "that will not do; for if we take the time, it will make us later than ever. I'll tell you what let's do: let's run, and pray as we run."
