

The Goods we Manufacture:

LACES.—This Department is rapidly forging ahead, and we have consequently been obliged to give more accommodation to it. Being under experienced supervision, we shall keep our Customers posted up with Novelties. Also VEILINGS, CHIFFONS, and LACE ROBES.

MADE-UP LACE.—We are ready with the most recent French and other styles in Bows, Jabots, Fichus, Sailor Collars, etc. LACE SCARFS have been selling very freely and they will continue to be a good trade.

COLLARS AND CUFFS.—Our excellent reputation for Linen Goods is widely known. You should write for our Illustrated List of Collars. MUSLIN APRONS, of which we have a good range, are shown in this Department, as well as FRILLINGS.

SHIRTS (Cotton and Flannel).—Our range is larger and better than ever. We were the Originators of the Ladies' Shirt Trade, and we still maintain the leading position for high-class Goods. White Muslin Shirts with Silk Undershirts will be much worn.

SILK SHIRTS.—This branch of our Trade has grown so much that we have been obliged to make it into a separate Department. We mean to make it grow faster, by giving keen and careful attention to the requirements of our Customers. Cream "Japs" and Tussore effects are going.

BLOUSES.—Year by year we are building up a sure reputation for these goods. We have some choice Novelties in Muslin Blouses for wearing over Slips. In manufacturing special attention is given to style, fit, and finish. MUSLIN ROBES and CHILDREN'S SHIRTS are shown here.

CRAVATS.—We have many smart effects in Silk Bows and Ties, both Plain and Fancy. We wish to draw attention to the Woven Derby Tie, which is selling well. In this Department will be found a varied stock of PETER-SHAMS, BELTS and FANS.
