The Question of Spoons.

When the Government introduced the protective tariff they did so on the principle that "THEY WOULD EITHER MAKE A SPOON OR SPOIL A HORN." The great authorities in Parliament and in the press have not yet decided which result will happen, and some consider it doubtful if it shall ever be unanimously decided. Of more importance, however, to the families of our people—when gathered at their breakfast table quaffing their tea and coffee—of uncertain price—to know that the CELEBRATED NICKELITE SILVER SPOONS are still within their reach. The Government laid their hands fearlessly upon the clothing we wear, the food we eat, and the fuel we consume; they taxed by the dollar and by the pound, ad valorem and specific, but "woodman spare that tree," they spared the Nickelite Spoons, by just leaving them among the revenue tariff lists.

These celebrated Sheffield spoons and forks are the result of years of labour, experience and capital. They require, to produce them, heavy and expensive machinery, and they require the world for a market. They are adapted to all climates, from the extreme North to the Sunny South, they stand HARD usage or SOFT, and anyone with a rag and a bit of chalk can make them shine like silver. The prices, too, are cheaper than ever. Tea Spoons, 90c., \$1.50, and \$2.00 per dozen; Dessert Spoons or Forks, \$3.00, \$4.50, and \$6.00 per dozen; Table Spoons or Forks, \$4.00, \$5.50, and \$7.00 per dozen. Each article is stamped "Nickelite, R. W. & Co." Ask your storekeeper for them and take none other. Every article guaranteed for five years.

Don't waste your savings on cheap trash, but buy a set of these useful goods, and you will never regret it. To be had of all dealers in the Dominion. Manufacturers, R. WILKES & CO., Beaver Works, Sheffield. Wholesale Agents for Canada, R. WILKES, Toronto and Montreal.
