If?

If you want to preserve apples, don't cause a break in the skin. The germs of decay thrive rapidly there. So the germs of consumption find good soil for work when the lining of the throat and lungs is bruised, made raw, or injured by colds and coughs. **Scott's Emulsion**, with hypophosphites, will heal inflamed mucus membranes. The time to take it is before serious damage has been done. A 50-cent bottle is enough for an ordinary cold.

Miss Smith has been giving a series of entertainments on Manitoulin Island and in Algoma District, and has been given enthusiastic receptions.

Rev. Wm. McCullough was seized with a sudden illness in Toronto, and was sent to the hospital. He soon recovered, however, and was on Sunday able to fill the place of Rev. S. H. Eastman, Oshawa, who is enjoying his holidays.

Mr. Geo. Hay, of Ottawa, one of our well-known elders, and Mrs. Hay, returned recently from a visit to Scotland. They left Ottawa on May 24th, and were absent about eleven weeks. During this time they travelled almost from one end of Scotland to the other, taking in the most picturesque scenery of both the Highlands and Lowlands. Mr. Hay states that he and Mrs. Hay had been twice through the Alps, but in his opinion the Alpine scenery does not compare with that of the Scottish Highlands. The peaks of the Highlands are not as lofty as the Alpine peaks, but they are covered with a verdure that makes them exceedingly beautiful. Mr. Hay was one of the representatives of the Canadian Presbyterian Church to the Pan-Presbyterian Congress held at Edinburgh.

"SAVED MY LIFE."

It's No Hopeless Wail, but Testimony With a True Ring to It for the Great South American Cures.

WONDERFUL TESTIMONIALS.

RHEUMATISM.—The Great South American Rheumatic Cure is safe, harmless, and acts quickly. Gives instant relief and an absolute cure in one to three days; works wonders in the most acute forms of rheumatism and neuralgia. "I was crippled so that I had to use a stick to get about," writes James A. Anderson of Calgary, N.W.T. "At times I suffered untold misery. I tried every medicine under the sun—spent six weeks in the hospital under special treatment, without any relief. I was induced to try South American Rheumatic Cure. After using two bottles I threw away my stick and went to work, and have worked every day since, and that was two and a half years ago."

KIDNEYS.—"I believe it saved my life," is the positive testimony of Mr. James McBrine of Jamestown, Huron County, Ont., in speaking of the miraculous cure of a complication of kidney troubles by the Great South American Kidney Cure. This gentleman was so severely affected that his physician had to attend him daily to take the urine from him. The first dose gave him relief, and half a bottle cured him completely, dissolving all obstructions, and healing and strengthening the parts. South American Kidney Cure is a kidney specific only, and it does all that is claimed for it every time.

STOMACH AND NERVES.—Two-thirds of all chronic diseases are due to disordered nerve centres. Cure the nerves and you will control the disease. South American Nerveine has proved this thousands of times. It is a powerful nerve builder, and in cases of acute indigestion and dyspepsia, has effected marvelous cures. Geo. Webster of Forest, writes: "For a number of years I suffered greatly from nervousness, twitching of muscles and sleeplessness. I tried almost every known remedy without relief. I was induced as a last resort to try South American Nerveine. The first bottle benefited me, and five bottles cured me. It is a grand medicine, and I owe my life to it."
