

It is incredible the amount of good that is done in the desolate missions of the Church by the Work of the Propagation. Over a million of dollars are spent every year by it in strengthening the Church in the abandoned corners of the world, in building schools, succoring poverty, feeding the famine-stricken, and baptising pagans and neophytes.

Nothing further need be said to excite the zeal of the members of the Apostleship of Prayer in favor of a work so deserving of their sympathetic cooperation. Let them bear in mind that every alms, every prayer, that they contribute to the work, is so much done towards the dearest wishes of the Heart of Jesus, the extension of the Kingdom of God on earth.

E. J. DEVINE, S.J.

Daily prayer during this month.

Divine Heart of Jesus, I offer Thee, through the Immaculate Heart of Mary, the prayers, good works and sufferings of this day, in reparation for our sins, and according to all the intentions for which thou sacrificest Thyself continually on the altar. I offer them, in particular, that the Work of the Propagation of the Faith may prosper.

IN temptation's hour
Be Thy Heart our stay,
At its radiant beauty
Demons flee away.
Hail, sweet Heart of Jesus,
Throne of light and love,
May Thy brightness guide us
To our home above.
