Merchants, Bankers, Manufacturers, and others:

DEAR SIRS. — In addition to our Mercantile Agency Reports we are now publishing a weekly commercial and financial newspaper in our name of

"BRADSTREET'S."

This paper is of value and interest to observing business men, particularly merchants, bankers, and manufacturers. It does not deal with credits or furnish ratings, but reports, reviews and discusses those matters, domestic and foreign, that have any bearing upon the business of this country. Reporting the crops in detail, investigating numerous industries, criticizing various investment securities, and reviewing the markets, are special features, while the tariff, monetary, transportation, legal, bankruptcy, partnership and hundreds of other topics are ably treated, not in the interest of political parties or geographical sections, but in the best interest of the business men of the whole country.

It is emphatically the business man's newspaper.

We solicit your subscription for one year at five dollars.

Very truly yours,

THE BRADSTREET COMPANY.
