RIB MACHINES for Ribbed Work, SEWING AND SEAMING MACHINES, PATENT CIRCULAR WINDER

We can refer to mills in Canada or the United States who have bought our machines outright. We are not connected in any way with any knitting factory in America. Please remember this when receiving references from other builders.

Write for Illustrated Catalogue.

Read below the success of our Machines in America:

Fort WAYNE, Ind., January 2nd, 1892

F. ANTON Ludwig's Sons, Chemnitz, Germany

Dear Sirs,—Your favor of Dec. 9th duly received and contents carefully noted. The circular winder gives very good satisfaction, and we think we shall re-order with the very first shipment coming over. We will very likely re-order knitting machines in the spring, and will certainly give you the order, as we found your machines quite up to all that you claim for them, and they give us very good satisfaction.

Very truly yours,

WAYNE KNITTING MILLS per T. F. Tjem,

Manufacturers of full fashioned stockings, big, split and heel reinforced foot and toes
