

TIMBER LIMIT TRANSACTIONS.

George Schneider, of Maryboro, Ont., has sold 400 acres of land and his saw mill to Charles Neilson for the sum of \$18,800.

The Victoria Times states that John Hanbury, formerly of Brandon but now of Vancouver, has purchased 3,850 acres of timber lands on the Sechart Inlet, British Columbia, from the Thomson Estate of Hamilton, Ont. It is said that \$5 an acre was paid for the timber, which is cedar and fir of fine quality.

The sale of timber limits to be held this fall by the Ontario Government will, according to report, be the largest since 1885. In the neighborhood of 900 square miles, or 25 townships, will be offered. Much of the timber is located along the lines of the Temiskaming and Northern Ontario, Central Canada and Bruce Mines and Algoma Railways.

In the item in a recent issue in reference

to the purchase of extensive timber lands on Vancouver Island, B. C., by an American syndicate, the area was inadvertently given as 50 acres. This should have read 50,000 acres. Later reports state that the price was \$12 an acre, although no official announcement has yet been made. It is said that M. King, of Victoria, has an option on 150,000 acres at the same price.

The name of the Edwin S. Hartwell Lumber Company, Chicago, has been changed to the Hermann H. Hettler Lumber Company, the officers of which are: President, Hermann H. Hettler; vice-president, J. L. Philip; secretary, E. L. Casey.
