

President, Dr. R. W. Powell, of Ottawa, will submit his annual report.

A discussion on Dominion Registration will be opened by Dr. Roddick on the evening of the first day of the meeting, following the address in Medicine.

In addition to the Presidential Address, there will be one in Medicine by Dr. Herringham, of London, England; one in Surgery by Dr. J. B. Murphy, of Chicago, and a third in Obstetrics by Dr. Henry C. Coe, of New York.

The Milk Commission will report on the afternoon of the first day, and several leaders in this field from the United States will contribute to the discussion.

Two Symposia have been arranged, to which the various sections will contribute: one on Exophthalmic Goitre, the medical aspect of which will be treated by Prof. McPhedran, of Toronto, the Surgical by Prof. F. J. Shepherd, of Montreal, and the Pathological by a gentleman from New York; and another on Psycho-Neuroses, of which Drs. J. J. Putnam, of Boston, August Hoch, of New York, W. Hattie, of Halifax, and Ernest Jones, of Toronto, will each present various aspects.

Medical Education will be dealt with by Prof. J. C. Connell, of Queen's University, Kingston.

All of the above will be given in the Convocation Hall during the afternoon or evening sessions before all the members.

There will be Sections in Medicine, Surgery, Obstetrics and Gynecology, Pathology, Pediatrics, and Diseases of the Eye, Ear, Nose and Throat. These will be held each forenoon. Most extensive programmes have been prepared for each, some seventy papers in all being already promised. The Sections in Medicine, Surgery, Obstetrics and Pathology will each hold three morning sessions, *commencing at 9.15 on Wednesday the first of June*. The attention of members is especially called to the hour of meeting so that there may be no disappointment. The Section of the Eye, Ear, Throat and Nose, and the Section on Pediatrics, will each hold one session only, viz., on Thursday next, the second of June.

W. A. Y.
