"I take pleasure in testifying that W. R. WARNER & Co.'s QUININE PILLS are practically just WHAT THEY CLAIM TO BE, whether judged by ANALYTICAL TESTS or by the THERAPEUTIC EFFECT obtained from their use.

SUGAR-COATED PILLS.

BRIDGEPORT, CONN., February 9, 1877.

I have used WARNER & Co.'s SUGAR-COATED PILLS for more than fifteen years, and I do not hesitate to say that, in respect of solubility, THEY ARE SUPERIOR TO ANY COATED PILLS I HAVE EVER TRIED, not excepting those coated by gelatine. They possess one quality which I do not find in most other Pills, viz a moist condition of the enclosed ingredients.
