THE LEARNED SOCIETIES

Through their members have testified to the great efficacy of Putnam's Painless Corn Extractor. It provokes no line of demarcation, securing alike the good will of the highest and the most humble, and with strict impartiality, removing with equal celerity the corns of each. Try Putnam's Corn Extractor.

It is all very well to advise a man not to cross a bridge until he comes to it. In these days of railroad accidents that man may be considered very fortunate who is able to cross a bridge when he has come to it.

We know of no way that we can benefit our readers more than in calling attention to *Johnson's Anodyne Liniment*. It is the oldest and most valuable patent medicine in the world. Everybody should keep it in the house. It will check diarrhoea and dysentery in one hour.

A woman will face a frowning world and cling to the man she loves through the most bitter adversity, but she wouldn't wear a hat three weeks behind the fashion to save the republic itself.

Horsford's Acid Phosphate.
IN NERVOUS PROSTRATION.

Dr. O. C. Stout, Syracuse, N.Y., says: "I have no doubt of its efficacy in all cases of nervous prostration. I gave it to one patient who was unable to transact the most ordinary business; as he explained it, his brain was 'tired and confused' upon the least exertion mentally. Immediate benefit followed the use of the Acid Phosphate, and he owed his recovery to it."

It is not a bad idea to set a pail of water in the horses' mangers at night, especially when they do not drink freely if offered water at that time.

FOR RICKETS, MARASMUS,
AND ALL WASTING DISORDERS OF
CHILDREN.

Scott's Emulsion of Pure Cod Liver Oil with Hypophosphites, is unequalled. The rapidity with which children gain flesh and strength upon it is very wonderful. "I have used Scott's Emulsion in cases of Rickets and Marasmus of long standing. In every case the improvement was marked."—J. M. Main, M.D., New York. Put up in 50c and \$1 size.

A questionable proceeding—Trying to find out what your neighbors are about.

A Merchant writes: "Minard's Liniment has saved many from a terrible death here, as diphtheria has been very prevalent. Minard's Liniment cures it every time when taken internally and externally. For Congestion and all Throat and Lung disease it is equal to a doctor in the house."

If the fountain is pure the streams will be pure also. So with the blood. If that be pure the health is established. *Parson's Purgative Pills* make new rich blood, and taken one a night will change the blood in the entire system.

Persons who take measures to enlarge their business—Tailors.

The Favorite Washing Compound of the day is James Pyle's Pearline. It cleanses fabrics without injury and without the laborious scrubbing necessary with ordinary soap. For sale by grocers.

THINGS WORTH KNOWING
THAT

Simson's Liniment is what may be called an *Every day Medicine*, and does not perform miracles, nor cure every disease, but as a remedy for the many complaints which are usually treated by Liniments, it is unsurpassed by any other preparation, and has been well called

"The Household Remedy,"

It affords the Proprietors much pleasure to say they are constantly receiving kind words and good wishes in its favor.
ME-SRS. BROWN BROS. & CO.,
Druggists, Halifax, N.S.

Gentlemen.—I have been terribly troubled with Rheumatic stiffness of the cords of my hands and for seven years I have not been able to do any needlework or sewing. I spent a great many dollars in trying to find relief, but without success, until six months ago I used a bottle of Simson's Liniment, which has acted like magic. My fingers have regained their suppleness, which I despaired of ever returning, and now, after applying the contents of two bottles, I can sew for hours without fatigue to my hands.

Yours truly,
A. T. ANDERSON.
