THE ARMSTRONG "PELHAM" No. 50

on End Spring Gear. No. 55 is the same, but on our perfect riding long Side Springs. The body is roomy, unique, stylish solid wood boot at back, solid back seat, trimmed in leather over spring cushion and spring back, high dash with silver rail, lamps (when desired), $\frac{1}{4}$ or 1 inch tire, "B" Standard Sarven wheels, steel axles, steel ironed shafts. Open job or with lined rubber top. Particularly suitable for doctors' use, where a light-running, roomy, easy-riding job is wanted, combined with strength and durability. Catalogue and particulars freely furnished on application.

J. B. ARMSTRONG MANUFACTURING CO. (Ltd.), Guelph, Canada
