J. M. COURTNEY, Deputy Minister of Finance.

Sugar of Lead, 9 to 11c.; Bleaching Powder, \$2.00 to \$2.50, according to lot; Alum, \$1.60 to \$1.75; Copperas, per 100 lbs., \$1.00; Flowers Sulphur, per 100 lbs., \$2.75 to \$3.00; Roll Sulphur, \$2.00; Sulphate of Copper, \$4.50 to \$5.00; Epsom Salts \$1.25 to \$1.40; Salt-petre, \$9.00 to \$9.50; German Quinine, 75 to 80c.; American do., 80 to 85c.; Howard's quinine, 85c. to 95c.; Opium, \$3.25 to \$3.75; Morphia \$1.60 to \$1.75; Gum Arabic sorts, 50 to 60c.; White 75 to \$1.00; Carbolic acid, 45 to 55c.; Iodide Potassium, \$3.75 to \$4.25 per lb.; Iodine, \$5.00 to \$5.50; Iodoform, \$6.50 to \$7.50. Prices for essential oils are: Oil lemon \$2.50 to \$3.00; oil bergamot \$3.50 to \$4; Orange, \$3.50 to \$4.00.

CEMENTS, FIRECLAY, &c.—Prices in these lines continue low; Portland cement \$2.40 to \$2.75 as to lot; Roman \$2.75; Canadian \$1.75; fireclay \$1.50 per bag; firebricks \$22.50 to \$25 per thousand. There is a steady demand.

FISH.—Dry cod is firmer at \$3.25 to \$3.50, and no great quantity to be had; no new pickled salmon to hand yet, and all other lines neglected.

DRY GOODS.—Orders from travellers are coming in fairly well, and a favorable feature to be noted in the present season, is the small number of cancellations received, the disposition being rather to increase orders than to lessen them. This is largely attributed to the feeling that higher prices will have to be paid for woollens ordered later. All-wool French goods have advanced 33 to 40 per cent. English and German goods in nearly equal ratio, and it is difficult to get repeats filled even at the higher prices, houses who have goods on the wrecked steamer "Lake Champlain" experiencing this to an embarrassing degree. Retail business in this city continues very fair, and the wholesale trade report still a considerable demand for summer goods from this source. Payments are better than for a couple of weeks past, and we are glad to find a corroboration of our recent remarks anent the growing disposition to buy for cash.

GROCERIES.—We have to report a rather livelier enquiry, and orders somewhat freer, with indications of a good fall business being done. Payments are reported satisfactory. Sugars are probably a shade firmer in yellows, lowest figure being 5½c.; granulated 6½ at refinery; there are a few lots of coarse grained Jamaica raws in the market at 5½ to 5½c., and Porto Ricos at 5½c. Barbadoes molasses 29 to 30c., sugar house 20c. in puncheons; syrups very dull just now. In teas there is a fair demand for new Japans, of which there have been a few arrivals; prices are as before. New blacks offering here at eleven pence to 1/1d. show extra good value; greens are very dull, the only demand being for grades at 15 to 18c. Java coffee has advanced 21 per cent. in London, which has strengthened the market here to 16½ to 21c.; no good Rio offering, ordinary 8½ to 9c.; Jamaica dull at 9½ to 11½c. In fruits Sultana raisins are selling well at 7½ to 8½c., and all offering are freely taken; scarcely a brl. of currants is to be had, and only a few cases of fine are obtainable; prunes dull at 3½ to 4c. Rice as before. New sardines are close at hand and are 9 to 10½ for quarters, 17½ to 19c. for halves; mackerel scarce at \$2.80. New strawberries and raspberries are quoted at \$2.25; new peas \$1.30 to \$1.40; tomatoes for future delivery in wholesale lots \$1.15 to \$1.25. Cloves are quoted here at 20 to 25c., in New York 21c., in London 9½d. to 10d., showing at the moment that this is the cheapest market; black pepper 18½ to 19½c.; Jamaica ginger scarce at 15 to 18c. Tobaccos as before; the Joliette factory, we are told, has sold large quantities of plug made from Canada leaf at 32c. duty paid; this tobacco pays only an excise duty of 5c. per lb.

LEATHER AND SHOES.—Boot and shoe orders continue to be satisfactory, and manufacturers will be busy next month making deliveries. Leather at the moment is quiet, and stocks show a little accumulation, but prices are steady, and green hides are up half a cent. There is not much shipping to Britain just now, and the market there is not as favorable as it was. We quote:—Spanish sole B. A. No. 1, 24 to 26c.; do. No. 2, B. A. 21 to 23c.; No. 1 Ordinary Spanish, 23 to 24c.; No. 2 do. 21 to 22c.; No. 1 China, 22 to 23c.; No. 2, 21 to 22c.; ditto, Buffalo Sole, No. 1, 21 to 22c.; ditto, No. 2, 19½ to 21c.; Hemlock Slaughter, No. 1, 26 to 27c.; oak sole, 45 to 50c.; Waxed Upper, light and medium, 33 to 39c.; ditto, heavy, 32 to 36c.; Grained, 34 to 37c.; Sootch grained, 36 to 42c.; Splits large,
