Mercantile Summary.

THE Dominion Express Company has adopted a new system for handling, and made a large reduction in its rates for the collection of notes, drafts, and accounts.

ON Saturday last work was suspended in the coal mines of the Ohio district. The cause is the fact that the 10 per cent increase in wages agreed upon by the miners and mine owners at Columbus and Chicago, has not yet been applied to the common laborers in the mines.

IN answer to J. McH., Ottawa, it was not W. R. Callaway, formerly passenger agent of the C.P.R., who was appointed president of the New York Central Railway the other day. It was his brother, S. R. Callaway, who is a Canadian by birth, and began railroading under Sir Joseph Hickson in the Montreal office of the Grand Trunk. He has been president of several American roads, the last being the Lake Shore and Michigan Southern. Mr. Callaway is only 47 years of age.

A DEPUTATION of three members, representing the Western section of the Ontario Executive of the Trades Congress of Canada, and two from the Eastern section, went to Ottawa a day or two ago to interview the Dominion Government on questions of Chinese immigration, current rate of wages on Government contracts, an amendment to the Trades Mark Act, giving recognition to the Union label and better inspection of gear and tackle at seaport towns.

THE Montreal Grain Elevator Company, capital \$300,000, asks incorporation, the applicants being Andrew Allan, Hugh McLennan, Thomas A. Crane, Alexander Paterson, and Alexander MacDougall. Also the Canadian Mining Exhibit Co., capital \$5,000; James Fish, T. J. Cooke, R. King, A. R. Forrester, F. X. de Grandpre, M. R. Cuddihy, S. Agnew, Alph. Renaud, and the Rock Forest Gold Mining Co., capital \$100,000; R. Wilson Smith, S. O. Shorey, C. C. Kennedy, M. P. Corcoran, and M. F. Hackett.

IN New Brunswick the following recent failures have occurred: J. S. G. McGinley, formerly a clerk in St. John, started a small clothing business at Bathurst in 1895. He recently assigned, and has since left the town.—P. J. Frenette, who has been doing a small general business at Petit Rocher, is already reported to be in financial difficulties.—A tinsmith at St. Martin's, P. Poertner by name, has assigned, with small liabilities due in St. John.—W. Henry Laurence, of Burr's Corners, a manufacturer of shoes in a small way, has left the place involved in debt.
