Mercantile Summary.

THE PEOPLE of Barrie have just resolved to get rid of the American silver nuisance by imposing a discount of 20 per cent.

At St. JOHN the imports of dutiable goods for September were \$1,701,166 against \$1,304,057 last year. The exports were \$339,913 last month and \$360,089 in September, 1871.

A DIFFICULTY has arisen between the customs authorities at St. John, and one or two traders of that city, who have got themselves into rather an uncomfortable position by removing goods—candies, we believe—without paying the duties. Mr. J. C. Brown, a gentleman who has acquired some notoriety in business circles there of late, is involved in the transaction, the goods having been stored in his bonded warehouse.

THE RECEIPTS of Canadian and American butter at Liverpool in the first 37 weeks of this year were 37,385 firkins against 93,419 firkins last year. Receipts of cheese were 695,237 boxes against 764,377 last year. Latest reports say that only fine qualities of butter are saleable in Liverpool and quoted prices are: U.S. and Canada fine and extra, 90s. to 98s.; good, 75s. to 85s. ordinary and middling, 40s. to 43s.; and grease sorts about 36s. per cwt.
