

Speaker's Rulings and Statements - (Concluded)*Sittings of the House:*

On a motion, "That this House do not adjourn at 5.00 p.m." (Discussion of Federal-Provincial Conference), Mr. Acting Speaker ruled the amendment out of order on the grounds that it was a substantive motion, 708.

A point of order being raised on the motion of Mr. Woolliams—"That the House adjourn at 4.00 p.m.", Mr. Speaker stated that he was not convinced by the precedents cited either for or against the motion, and the question should be put to the House, 1386-7.

On the proposed motion of Mr. Fortin—"That the House do now adjourn", Mr. Speaker ruled the motion out of order as no intermediate proceeding had taken place as required by S.O. 25, 1388-9.

Supply Motion:

On a point of order being raised by Mr. Baldwin, Mr. Speaker stated that voting on opposition motion on final supplementaries, brought before House under S.O. 58 and a special order, will be governed by procedure for allotted days which does not allow for a vote. Statement not to be regarded as a decision as further consideration of question is deemed advisable, 762-3.

Ways and Means (Budget) Amendments:

Mr. Caouette during debate on the Budget proposed to move a subamendment, 212. Mr. Acting Speaker ruled that under S.O. 45 a second subamendment was not allowed, 212.
