Mr. Speaker: I declare the amendment lost.

Right Hon. L. B. Pearson (Prime Minister): With permission, I wonder if I could suggest that in the circumstances we might forgo the private members' hour in order that after 240 speeches on the flag question we might be able to come to a decision on this matter before six o'clock?

Hon. Gordon Churchill (Winnipeg South Centre): No, Mr. Speaker; we want to hear from the Prime Minister (Mr. Pearson), who has not spoken on this subject for six months.

Mr. Speaker: Are there any pairs to be declared?

It being five o'clock the house will now proceed to the consideration of private members' business as listed on today's order paper, namely notices of motions for papers, private bills and public bills.
