Trade Board Urges Ottawa to Effect Drastic Economic

Slashing of Whole Governmental Departments Might Be Included, States Resolution—Meeting Opens Program, Stressing Need for Thrift

GROUP'S MEMBERS PRESENT OPINIONS

Expressing concern that the Federal Budget did not "indicate those drastic economies which might be expected under the present serious conditions," a resolution, unanimously endorsed last evening by the largest meeting held by the Board of Trade of Toronto for some year, that further drastic action be taken even to the departments of

The meeting has endorsed the economy demands of the Canadian Chamber of Commerce by this organization. "Literally," it says of Canada's credit men's journal. Winnipeg, Man.

THE GROWING BURDEN OF TAXATION

The news of an increase in many forms of existing taxes, as well as the imposition of new ones, both by the Dominion and by most of the Provincial Governments, is being received with feelings of dismayed resignation by the greater part of tax-paying public. In Manitoba, where a series of unopened openings in Government a period of time, the presence of the here are drive

SOME SIMPLE TRUTHS

The monthly Journal of the Canadian Chamber of Commerce, Canadian Business, for this month talks strongly says this crisis of world maladjustment has been prolonged by unwise legislation and other what-nots, which have been implemented to scare depression out of its wits and to make the same remarkable manner as little white rabbits which enliven us in our nursery days. Men in politics (and men in business) are at present not of products of imagination. Demands for immediate drastic economies in governmental costs of the province and Dominion
