

INDEX.

A.		Brain, fissures of.....	419
Abdominal aorta.....	261	Landmarks.....	435
Landmarks for.....	262	Meninges.....	413
Abdominal regions.....	265	Bursitis, region of ankle..	381
Abdominal walls.....	170	Region of elbow.....	65
Landmarks for.....	178	Region of hip.....	316
Acromio-clavicular articu-		Region of knee.....	355
lation.....	13	Region of popliteal space	348
Aneurism.....		Region of shoulder.....	26
Abdominal aorta.....	262	C.	
Carotid.....	486	Cæcum, landmarks for....	227
Popliteal.....	349	Cardiac neuroses.....	142
Thoracic aorta.....	156	Castration.....	299
Ankle joint.....		Cerebrum.....	419
Anatomy of.....	380	Cerebral fibres, arrange-	
Operations on.....	382	ment of.....	424
Synovitis of.....	381	Hæmorrhage.....	434
Anterior aspect of leg....	365	Localization.....	421
Anterior crural nerve,		Sinuses, diseases of....	415
Landmarks.....	332	Landmarks for.....	417
Anterior tibial artery,		Cervical fascia.....	471
Landmarks.....	367	Clavicle anatomy.....	11
Ligation of.....	368	Fractures.....	15
Appendix, anatomy of....	223	Landmarks.....	11
Landmarks.....	228	Clinical examination of	
Appendicitis.....	231	Heart and lungs.....	139
Operation for.....	235	Kidney.....	246
Arches of foot.....	390	Liver.....	203
Arm, anatomy of.....	50	Spleen	252
Landmarks.....	52	Club foot.....	392
Operations on.....	55	Colon ascending.....	225
Ascending colon.....		Landmarks.....	228
Anatomy of.....	225	Colon descending.....	225
Landmarks for.....	228	Landmarks.....	228
Axilla, anatomy of.....	33	Carotid, aneurism of....	486
Axillary artery operations		D.	
on.....	45	Deltoid, muscle.....	31
Axillary fasciæ.....	37	Diploic, veins.....	404
Axillary region, land-		Dislocation at acromio-	
marks.....	41	clavicular joint.....	15
Operations on.....	43	Elbow.....	70
B.		Hip.....	321
Bladder, anatomy of.....	270	Knee.....	360
Landmarks for.....	273	Radius downwards.....	70
Operations on.....	273	Shoulder.....	27
Brachial artery, land-		Sterno-clavicular.....	15
marks.....	52	Wrist.....	105
Ligation of.....	56
