The Toronto World

FOUNDED 1880 Morning Newspaper Published Every Day in the Year by The World Newspaper Company of Toronto

PRESIDENT-ELECT WILSON ON TRUSTS,

the White House has already been to its strict constitutional duties and he intends to cut loose from anything and everything that will interfere with their discharge. Even more at vari- to foist a 250 foot limit on Toronto. ance with its traditions is his issue of We repeat that the unsettled cona book, entitled "The New Freedom," dition of Toronto's building regulations as it is a collection, in proper sequence is signed by him. To it also he contributes a preface and it must therefore be taken as an authoritative indication of the policies he intends to pursue

and the objects he hopes to achieve. Mr. Wilson makes it perfectly clear the neatest little plays that provincial that while not opposed to the develop- politics have developed for some time, very strongly opposed to what have gram case. The Globe and its friends become known as trusts. To a large are handicapped in a matter of this corporation, built up naturally by the kind by their predisposition to think legitimate processes of business, by evil of every man not of their own economy, by efficiency, he has no objection, but that is a very different matter from the establishment of trusts, for these have not grown, but have been artificially created. Private monopolies, he states categorically, are indefensible and intolerable. The men who have engineered them do not want to be compelled to meet all comers on equal terms. But while the presidents are caused by the control of their own strips. The charity that thinketh no obviliplays no part in Globe politics. Before Falconbridge, C. J.

Sick Benefit Revenue Was Sick Benefit Revenue Was and also some Conservatives. Sir James, in The Globe's view, must have done something crooked, or he might to be compelled to meet all comers on equal terms. But while the presidents are called the presidents.

When of regular fiction we tire, we turn to the "Popular Lyre"; we carefully read what there is decreed till full of ambitton and fire. On one page on methods and ways which make us feel humble and meek. To add to our income we note they tell us to purchase a goat, a duck and a hen, a good honey-bee and as bote. We should have a zeal most intense for saving our run-away tenance. F. W. Harcourt, K. C., for the control of their own strips. The charity that thinketh no voll plays no part in Globe politics.

Liberty to plaintiff to join if desired. Harris v. Elliott.—G. S. Hodgson, for defendant, moved for further and better particulars of paragraph three of statement of claim. Reserved.

Hawken v. Taylor.—Macdonald (Dewart & Co.), for plaintiff, moved for judgment under C. R. 603. D. O. Cameron for defendant. Enlarged by consent until 25th inst.

Segsworth v. Clarkson.—R. F. Segsworth, for plaintiff, moved for judgment under C. R. 603. J. H. Spence for defendant. Motion dismissed. Costs in cause.

Before Britton, J.

Harper v. O'Neil—J. S. Fraser, K.C., for plaintiff; M. Wilson, K.C., for defendant. An action for a declaration that a road which crosses the south half or lot 7 in the 2nd concession of the Gore of Chatham is a public highway, for an order compelling defendant to remove obstructions placed by him on that highway, for an injunction and damages. Judgment: Even if plaintiff, in erecting the gate on the highway has created a public nuisance, I am unable to find that plaintiff suffered particular injury so as to bring the case within Fretz v. Hobson. The plaintiff did not ask any postponement to endeavor to get the municipality to intervene, etc. I think justice will be done if the action is dismissed without costs, without preismissed without costs, without pre-udice to any other action by plaintiff.

Appellate Division.

Before Mulock, C.J.; Clute, J.; Riddell, J.; Sutherland, J.; Leitch, J. Stamps v. City of Toronto (J. Fisken & Co., third parties)—A. F. Lobb, K. C., for third parties; B. W. Essery for defendants. Appeal by third parties from judgment of Morgan, J., of County York, June 10, 1912. Action by Roy Stamps, by the father, as next friend, to recover \$200 damages for the breaking of Roy Stamps' leg, alleged to have been caused by ice

then are necessary of nervessed to must had dividende and stock values. The content the public set wise to the basis of stock watering and overse spitalization the sooner the yvill be able to prevent monopolite and secure beep and efficient service.

UNSETTLING VALUES.

The Globs is endesvoring to verage that a ten-storey building is not a skyrscraper, and that Montreal with the place of privacy and the charge of illoptcality by decisarile final and the charge of illoptcality by decisarile final services, and the Lumsden building, we believe, and the Lumsden building, we believe, was also so denominated by the illogic and many other points. Thru tourist far a skyrscraper when it was exceeded, and many other points. Thru tourist and many other points. Thru tourist and many other points. Thru tourist carry and the Lumsden building, we believe, and the Lumsden building, we believe was alies of comminated by the illogic and many other points. Thru tourist carry and many other points.
