

The trains stop at intervals on the route for passengers to obtain refreshments, and meals are provided, under the supervision of the Government Agents, at moderate charges.

Emigrants holding through tickets, and wanting to get information at the port of landing, may delay their journey for that purpose, as the railway or steamboat company will take charge of their luggage until they are ready to go forward to their destination.

RATE OF WAGES.

Wages depend a good deal on the occupation and capabilities of the individual. And the inducement to go to Canada is not simply higher wages and good living among kindred people under the same flag, in a naturally rich country, possessing a pleasant and healthy climate, but the confident hope which the poorest may have of becoming a landowner, and, while securing a competence for himself, he may comfortably settle his children in a manner he could not hope to do among the crowded population of the old world.

There are many instances of people who emigrated to Canada only a very few years ago, and landed without any means whatever, who are now comparatively wealthy.

MONEY.

Passengers taking large sums of Money will find the safest plan is to purchase a Draft from some respectable Bank. Most English Banks have Agents in nearly all the large Cities in Canada and the States, so that Passengers can easily cash the Drafts when they arrive out. Small sums should be taken in gold, as sovereigns and half sovereigns are always worth their full value. The following table shews the relative value of English and American Money.

MONEY TABLE.

<i>Sterling into Dollars and Cents.</i>			<i>Dollars and Cents into Sterling.</i>		
	\$	cts.		£	s. d.

£1 " "	4	87	5 " "	1	0 10

For small change, the Halfpenny sterling is 1 cent, and the Penny sterling is 2 cents. For arriving roughly at the approximate value of larger figures, the Pound sterling may be counted at 5 dollars. The sign (\$) is used to indicate the dollar.
