THE SYNOD  
OF THE  
EPISCOPAL CHURCH IN NOVA-SCOTIA.

---

TO HIS EXCELLENCY THE RIGHT HONORABLE THE  
EARL OF MULGRAVE.

WITH the deepest feelings of respect and duty I dedicate this pamphlet to your Excellency, not to attract observation to myself, nor that I believe it to contain any merit in itself; but because the subject is a matter of vital importance, and one in which, as the representative of Her Majesty, I trust your Excellency will take a decided stand, and with the firmness and fidelity worthy of the royal authority represented by your Excellency in this Province, hold fast that which is good. And that you may ever use the sword entrusted to you by our Sovereign the Queen for the maintenance of the true religion established among us; and for the long life and happiness of your Excellency, in concert with the whole Church, your humble servant will ever pray.

To all the members of the Provincial Parliament of Nova Scotia, in their Legislative capacity assembled, the following pages are addressed.  
From the consideration that national enactments, with regard to the religion of a country, are more important than those respecting any other department of govern-
