

EXPECT FOUR TEAMS IN SENIOR SERIES

O.R.F.U. Meeting Tonight to
Make Decision—News
and Gossip

The Ontario Rugby Union will hold a meeting in Central Y.M.C.A. this evening and straighten out the tangle in the senior series. No less than six clubs announced that they would be ready to play in this series, but the best that will come of the matter will be four good teams.

Beaches sprang into the limelight with the election of officers, and trotted out the main works of the Capital outfit at their first practice. This means that the famous old north end club will likely throw in their lot with the east end club and one strong team will emerge.

St. Vincent's have also had trouble in rounding out a good team. The fans expect to see them amalgamate with Parkdale A.C. and another strong team will result. Lieut. Fleming's Niagara Camp team is ready to stage their games in Hamilton, and another strong team of the Siberian forces is the other military team, and would round out a strong four-club group.

All clubs must be at the meeting tonight with a full staff of their plans and tell the O.R.F.U. on what grounds they will stage their games. The meeting will take place at the atmosphere and fans will know just where they stand in regards to the fall campaign.

The Excelsiors have signed many well-known players for their senior city team. Practice will be held tonight at Trinity College at 8 o'clock. A few of those signed are: "Duke" McCurry, Genian, Ross, F. Batstone, Handman, Brown, H. Batstone, Hanson, Bird, Britton, Gray, Horahan, Leonard, Lyons, Portch, Ryder, Sienberg, H. Smith, Thomas, Thorne, Ward and Woods.

Beaches Senior City and 125-pound teams will practice at New Gardens this evening at six o'clock.

The Arlington senior rugby team held a successful practice last night, many new players turning out and will hold a uniform practice this evening at 8:30 on the Don Flats. Those expected out are: Fernman, Leonard, Goodman, Gurofsky, Pink, Simon, Glatier, Wermes, Stewart, Seider, Brady, Leonard, Platus, Frick, Johnson, Faphy, Sher and any others.

On Thanksgiving Day, St. David's are entertaining the Hamilton Thistles. A game will be played on Dunlop Field at 1:30 p.m. President McCord and committee have arranged a very nice dinner for the teams at 1:30 p.m. In the church hall a banquet will be served and a short concert will follow, following this the boys will be taken to see the international final which will be played at the stadium. After supper the teams will go to a show. Taking it all around everybody should have "one real good time."

Linfield Rovers will hold a special meeting tonight at 29 Smith street. All players and members are requested to attend.

An Ottawa despatch says: Indications that Toronto would like to get into the patriotic football series between McGill and Ottawa, was expressed by a telegram received by Eddie Emerson today from Willard Box, stating he was willing to place a team on the field inside 24 hours. The name of the team was not mentioned.

CAN'T CATCH BASEBALL DROPPED FROM AIRPLANE

American soldiers in France recently tried to break the record set at Kelly Field in Texas, by catching a ball tossed from an airplane more than 700 feet above the ground. The catch on Kelly Field was at a height of 700 feet. The Americans in France failed in their attempt, although more than 150 soldiers tried to catch balls thrown from an airplane 750 and 800 feet above the ground. Nearly all the balls hit the earth without being touched, while a few struck, waiting, mits but bounded out.

The Senior City Rugby League held a meeting last night and admitted two new teams. P.C.C. are ready for business, and will open the season on Saturday by playing Excelsiors.

In the 125-pound section, Arlington is asked for admission. Their entry was accepted, and they will be ready to step it and take Caps' place if the latter club fails to value a team.

CAN THE MAITLANDS HOLD THEIR LEAD?

Play Return Game in St.
Catharines on Saturday—
Three-Goal Lead.

The success of Billy Fitzgerald and his St. Catharines Athletics in holding the Maitlands to a three-goal lead in Toronto on Saturday will make Saturday's return game interesting. The importation of eastern stars helped St. Kitts greatly, and it is figured that they have an equal opportunity of beating out the Toronto twelve in the return game Saturday at St. Catharines. Three goals sometimes appear formidable, but St. Kitts is a strong team for its home team, and it will probably take the Maitlands all they can do to annex the championship.

Larry Doran, Tip McCarthy, Eddie Farmer and George Roberts are the St. Catharines team last Saturday, and it is intimated that they will have George Roberts on their attack this week for the return game. In this event, they will start an excellent chance of evading the Maitland lead, particularly if the Toronto combination is not as strong as it was on Saturday, and it is not thought that any will jump for this week's game, the Sarazin, Denny and Hearn are said to have received offers.
