

Back Up Our 66,000 Toronto Men

Those who stay behind must do the paying. These men who have gone have given up their businesses and made great personal sacrifices, and in many cases they will give up their lives. The least you can do is to lend your government all the money you possibly can to help clothe and feed your fellow-citizens in the service and to arm them so they can help win the war and return victorious as soon as possible. Back up the boys from Toronto. You can buy a \$50 Bond by paying \$5.00 down and \$5.00 a month.
