Weak and Run Down, With Heart and Kidneys in Bad Cendition -

"I was very much run down, having been sick for several months. I had been trying different remedies which did me no good. I would have severe spells of coughing that would leave me prostrate. I was told that my lungs were affected, and my heart and kidneys were in a bad condition. In fact, it seemed as though every organ was out of order. I felt that something must be done and my brother advised me to try Hood's Sarsaparilla. I procured a bottle and began taking it. Before it was half gone I felt that it was helping me. I continued its use and it has made me a new woman. I cannot praise it too bighly." Mrs. SUMMER-VILLE, 217 Ossington Avenue, Toronto, Get only Hood's, because

At Knox Church. Next Wednesday will be the seveneenth anniversary of the organization through the various agencies of the of the Young People's Society of Christian Endeavor throughout the world. Rev. J. G. Stuart, of Knox Church, took occasion last evening to preach a special sermon on the aims, objects and progress of this valuable adjunct to church work, and clearly set forth the suit their individual talents. The reverend gentleman made a special appeal to the young people not already en-rolled to at once connect themselves with the organization and assist in in-creasing the good that is being done through its instrumentality. During the service the quartet, "One Sweetly Solemn Thought" (Ambrose) was sung Misses Street and Kemp and essrs. Irwin and Fewings.

He also nounced Sabbath breaking; liquor drinking; benefit societies, because they behalf of sound principles and honest administration during the last quarter last; dancing; card playing; the skatering rink; prize-giving for the skater who can make the biggest show of With the skating rink he included curling and hockey. Gratifying Progress.

At the First Presbyterian Church yesterday Rev. W. J. Clark said: "When the pres ETROLIA, Jan. 31.—Oil opened and closed He was followed by Mr. McIntyre, who year 1890, there was a debt against the church of \$4,300. By the time the new church building was planned for this benefits which had been conferred on had been reduced to \$2,500. The cost the dairying and fruit growing indus- of the new building added to this made tries. He touched on the provincial a total debt against the congregation of almost \$28,200, so that the total liability against the congregation in these seven and a half years has been \$30,000. The present debt is \$13,000, so that in that length of time, besides all running expenses and contributions to charitable and mission work there has been \$17,000 paid off, or \$4,000 in excess of the candidate. Rousing speeches were remembered that at the beginning of that period the membership of the congregation was under 200, whereas it stands today at 475. I have heard it said that this is a wealthy congregation, but that is not true. With the exception of one or two cases the most of our people are in modest circumstances, while a few are in straited circumstances. As to the offering of last Sabbath, the following is an analysis of the amount received. There were some 209 contributors altogether, divided as follows: Three gave at the rate of \$50 each; one at \$30; six at \$25; two at \$20; four at \$15; one at \$12; 21 at \$10; one at \$7; one at \$6; 55 at \$5; three at \$4; sixteen at \$8; two at \$2 50; one at \$2 25; 34 at \$2; one at \$1 25; 41 Yesterday morning, the pastor of the at \$1; eleven at 50 cents; five at 25 mission, Rev. Mr. Sawyer, preached cents; while over \$30 was given by in the Dundas Center Church, and friends who did not see fit to give their made an earnest appeal for continued \$1,152 29; in 1895 the sum was \$1,012 69; in 1896 it was \$1,006 98, and in 1897 it sustaining. was \$1,056 94; so that this year the high water mark has been reached in these anniversary collections, and that notwithstanding the fact that both in this year and last year, on account of unfavorable weather, our congregations have been smaller than average congregations, instead of being larger, on account of the special services. This giving has been in quite a number of cases the fruit of real self-denial, but where it has been so the givers are to be envied rather than pitied, for they have been tasting the blessedness of forgetting self for a worthy object, and that is one of the sweetest joys vouchsafed to men and women. The congregation paid the late pastor \$1,200 a year, while they now pay \$2,100. so that there have been other advances." Mr. Clark then went on to say that he brought these figures before them in hand in hand, emphasizing the differno spirit of boastfulness, but of gratthe spirit of boastfulness, but of grat-itude. There was room for advance-ment yet and martisular, of grat-ment yet and martisular, ence between "sincerity" and "the truth." He spoke of the remarkable the missionary work of the church at large he hoped to see them take a long step forward. He especially urged the

mention was made on Saturday of the annual meeting of the Southern Con-gregational Church. This church is prospering finely. There has been during the year a marked increase in the church attendance, the average now being 150. The treasurer's statement showed an increase in the receipts of \$205 67, there having been \$1,205 raised for all purposes. The new church cost \$7,000, and on it the congregation still owes \$4,500. Mr. Allen, chairman of the financial board, expressed the sentiment of the church as a whole in some urday excepted. brief remarks. When the pastor, Rev. W. H. Claris, came four years ago, he said, the prospects were not bright, but by his faith, energy, patience, perseverance and sanctified common sense, he had helped them over many difficulties, and they had now one of the cosiest little churches in the city. The pastor was respected and beloved, not only by the congregation, but cutside of it, as sen chairman of the Ministerial Association. The report of the Ladies' Auxdilary showed that by socials, etc., the sum of \$52 96 had been raised. There are 20 members. The junior Endeavor Society has 10 active and 4 associate members. The Sunday school report showed a gain of 6 scholars, the average attendance now being 126, and the total 183. The total amount of contributions was \$76 36. MIDDLESEX.

The Nilestown Royal Templars all sympathized with Bro. John Edwards, in the recent loss of his mother. The remains of Mrs. James Cahill were interred at the Wardsville cemetery. She was the mother of Thomas Cahill, who was a well known canductor on the C. S. R., and later on the Chi-

cago and Alton Railroad. Mr. John Creighton, of Nilestown, is having serious difficulty with his mill dam again. A good share f it has gone down stream with the recent rising of the water. It means a big loss to Mr. Creighton, as it will likely be impossible to construct any repairs till spring. In that case the mill rould have to lie idle or secure steam power.

A Month's Travel Saved-Completion of an Aerial Railway Over

Chilkoot Pass. Tacoma, Wash., Jan. 31.—Hugh C. Wallace, president of the Chilkoot Railroad and Transportation has advices of the completion of the company's aerial railway over the Chilkoot Pass to Lake Lindermann. This marks a new era for Klondike travel, as the time between tide-water and the headwaters of the Yukon River is shortened from a month to a day, besides removing the peril and hardships. The company made a contract with the Canadian government at 15 cents per pound for the transportation of all its freight for the mounted police from Dyea to Lake Lindermann.
