HOME-MADE BREAD

Home bread-making reduces the high cost of living by lessening the amount of expensive meats required to supply the necessary nourishment to the body. The increased nutritious value of bread made in the home with

ROYAL YEAST CAKES

should be sufficient incentive to the thoughtful housewife to give this important food item the attention to which it is justly entitled. Bread made with Royal Yeast will keep fresh and moist longer than that made with any other.

[Special to The Advertiser.] PARIS, Sept. 15.—In spite of the rain that started about noon today there were upwards of 500 people present at the Brant Liberal convention held in the Colonial Theatre this afternoon. Many came to hear H. H. Dewart, K.C., M.P.P., the new Liberal leader, and were not disappointed. In addition the convention was addressed by John Harold, the Liberal Unionist; T. Scott Davidson, M.P.P.; J. C. Elliott, M.P.P., of West Middlesex, and J. D. McGregor, of Halton County.

Dr. Rutherford of Burford occupied the chair, and in a short address outlined the object of the convention and then called upon the delegates present, nearly 130 in number, to vote for a candidate for the historic riding of Brant. rain that started about noon today

Made Unanimous.

Eight names were submitted, but all declined but three, Mr. Davidson, the sitting member; A. Kneal, of Burford, and U. O. Kendrick of Brantford Township. The second ballot not resulting in a two-third vote for either of the candidates, upon motion of Messrs. 'Davidson and Kneal the nomination was finally unanimously tendered to Mr. Kendrick.

Hartley H. Dewart, K.C., M.P.P., then addressed the gathering, and made an opening reference to the lady delegates present, remarking how well their advent to politics argued for the advancement of vital woman questions, such as social and moral reform, housing, care of children, education and the care of the many women in the general institutes of the province of Ontario.

He then made a passing reference to the forthcoming provincial election, and said there was no exact knowledge at present when the Hearst Government was likely to spring it on the people. He cautioned the audience, however, to be ready for it at any time.
