

WOMAN AVENGES CHILD KILLS THE ASSAILANT

Tells Police of Plot Against Family and Admitted Killing Her Victim.

NEW YORK, May 30.—With an infant clutched in her breast, Mrs. Teresa Felipa of Brooklyn to-day meted out summary vengeance upon a man whom she declared she had surprised in the act of attempting an outrageous assault upon her six-year-old daughter.

The man was John Maro, who had made his home with the Felipa family since his arrival in the country from Italy four months ago. Three bullets from a revolver which Mrs. Felipa carried in her free hand sent him to death before he could utter a sound. When arrested and taken to the police court, Mrs. Felipa admitted that she had killed Maro and told of a most outrageous plot of which she said she and her family had been made the victims. She declared that Maro, while living on the bounty of herself and her family, had conspired with two other men to ruin their two daughters and thru the shame of the children to extort money from the parents.

The other men named by Mrs. Felipa are Dominico Francesco, aged 55, and his son, Gaetano Francesco, aged 21. The father and son are now under \$5000 bail each, the son as principal and the father as accompanier, on a charge preferred by Mrs. Felipa's 12-year-old daughter, Giovanna. It is alleged that Dominico induced his son to assault Giovanna in the belief that her father, who is well to do, would make a money settlement on Gaetano upon his agreement to marry the girl. Mrs. Felipa declares that she had been told that Maro was a party to the alleged conspiracy, and she had been watching him closely. Yesterday she said her daughter Amelia, a child of 6, came to her with a story that Maro had sought to take improper liberties with her.

She made a complete denial when the mother questioned him about the matter, and Mrs. Felipa said that she decided that she could only wait and watch. Her time came to-day when she saw Maro induce the child to accompany him to a vacant lot near the Felipa home. A few minutes afterwards Mrs. Felipa, with her baby in her arms, saw a revolver concealed in the folds of her dress, stole softly out to a point which gave her a view of the lot. She declared that immediately followed, when she sent three bullets into Maro's heart, killing him instantly. The Brooklyn police believe that the conspiracy against the Felipa family is an outgrowth of the Blackhanding of well-to-do Italians, carried on by the Blackhand and other associations of criminals.

Commotion at Panama

PANAMA, May 31.—The political situation in Panama, which seemed to have been cleared for a time by the position taken by the United States with regard to the coming elections, is becoming more and more complicated every day. A presidential decree cancels the appointments of Porfirio Melendez, governor of Colon; Emilio Oceana, governor of Cooles; and Antonio Anzuola, governor of Chiriqui, and replaces them with strong supporters of Senator Atlas, secretary of foreign affairs, who has been spoken of as a possible presidential candidate. The American minister, Mr. Squires, has received instructions by cable to leave by the first steamer and proceed to Washington.

Mrs. Blank Loses Her Cook

Some time ago the wife of Judge Blank of San Francisco lost her cook, and since she has had no other resource, she rolled up her sleeves and for a week provided such meals as the judge had not enjoyed since those happy days when the Blanks did not keep a cook. The judge's delight was so great that he by way of appreciation acknowledged by Mrs. Blank with a beautiful emerald cloak. Quite naturally the incident was a good deal noted about among the social acquaintances of the Blanks, and a spirit of envious emulation was developed in certain quarters. Mrs. Danvers, who is Mrs. Blank's neighbor, was the first to take up the subject. "What do I get, Harry," she asked, "if I will do the cooking for a week?" "Well," said Mr. Danvers, "at the end of a week, my dear, you'll get one of those long erpe veils."

G.A.R. VETERANS HONOR COMRADES IN DEATH

Decoration Day Ceremonies Made More Impressive by the Funeral of Jos. Collard.

More than ordinarily impressive were the annual services attending Decoration Day in this city Saturday, when the battle-scarred veterans of James' organization, which was organized in St. Knowlton Post of the Grand Army of the Republic visited the graves of fallen comrades who repose in city cemeteries. The party numbered about 50, were accompanied by a number of lady friends, and left their lodge rooms, 8, O. E. Hall, in autos at 2 o'clock. The Necropolis, St. James, St. Michael and Mount Pleasant Cemeteries were visited and beautiful floral wreaths, intertwined with Union Jack and Stars and Stripes, were deposited upon the graves of the deceased. The quartermaster announced the names and regiments of the deceased as the comrades surrounded the graves, and Bugler Bolton blew the soldiers' requiem "Taps." A long roll of the muted drum and with barred heads and reversed mics the survivors passed slowly on to the next mound.

Only men who fought in the American civil war can be members of the organization, which was organized in 1861, with 173 members. Since then 130 have died. There are 40 members left, who were in the war for 45 years and a few years the last of the civil war veterans in this city will have passed away. Especially touching were the ceremonies attending the burial of Joseph Collard, one of the members of the post, a veteran fireman, who was the last of several caretakers of the Portland-street fire station, where he died of apoplexy Thursday morning. The funeral services were held at 2:30 p.m., were attended by Deputy Chief Noble and District Chiefs Vignola and Smith, and many other members of the department, and also by a number of personal friends. The pallbearers were Capt. Thompson, Captain Ironman and Lieutenant Burns of the fire department, with two representatives of the A.O.U.W., and one of the G.A.R. They were accompanied by a large wreath from the fire department and a wreath from the G.A.R. A contingent of 60 firemen attended the hearse as far as Yorkville-avenue, where they formed in line, allowing the carriages in the cortege to pass between.

At Mount Pleasant a score of G.A.R. veterans were engaged in decorating the graves of comrades who were buried in procession arrived. After the committal prayers had been read, the G.A.R. special rites were observed by the Rev. Canon Cody, who delivered the funeral sermon. The services were headed by a bugler and drummer, one bearing a Union Jack and the other the Stars and Stripes. The honorary-hair veterans marched to the grave, and, after the filling in of the grave, the last call was sounded.

ST. PAUL'S GARDEN PARTY.

Event was Little Dampened by Weather, and Enjoyable Time Spent. Despite lowering skies, St. Paul's Church garden party held on Varsity Field Saturday afternoon was well attended by members of the congregation and proved a very pleasant function. The occasion offered an opportunity to parishioners to express to the Rev. Canon Cody, their best wishes concerning his attendance at the Pan-Atlantic Congress.

A cricket match between the St. Paul's and the Friends Club eleven in the Church and Mercantile League proved an interesting feature. St. Paul's winning by 75 to 24, one innings being played. Charles Lewis, W. R. Smallpiece and D. D. Cooper, who have been particularly prominent in athletic affairs of the church, were presented with handsome tokens by Canon Cody, on behalf of their fellow members.

King Sop Wideawake.

Hing Sop is the champion wideawake man of Philadelphia. This may not seem much of a title to the "speezy" New York "bun" King Sop is never willing to enter a "wakeful" contest with any man in the country. He does not sleep from insomnia, nor is he a night that prevent sleep. He has been awake now since May 18, and does not expect to sleep. The Chinese Chinaman only feels like sleeping, he said, when he's riding in a trolley car on a summer night. He prefers the Market-street West Philadelphia cars, "because they run so nice, and make it easy to sleep." The past six nights he has been sitting on the steps of his place in Chinatown. Next Saturday night he expects to sleep. "Don't you get up out of the cars when you go to sleep?" he was asked. "No," said Hing. "I play a lot of flares to conductor light away. Sometimes forty cents. So I hide around all time till come day."

PREMATURE DISCHARGE OF PRISONER CANNON

Loophole in the Defence Procedure Permits Prosecution to Hurry Across Border.

HAMILTON, May 31.—(Special.)—The body of George Patterson, who lived with his sister at 501 North James-street, was found at 8.30 this evening in the rear of No. 204, a street. There is some doubt as to the cause of death and Coroner Balfe and the police are making an investigation. The body was found in a sitting posture, with the back leaning against a house. There are no marks on the body in the sitting posture. The man was subject to fits. He was a teamster and about 25 years of age. Some boys saw him alive about 4 o'clock. Mrs. Robert Davis, Stony Creek, died to-day at the age of 89 years. The members of the Sons of England Society attended a special service in Christ Church Cathedral this afternoon, where Rev. Canon Abbott addressed them. James Fox, Oakville, was committed for trial Saturday on the charge of assaulting his niece. The children of George and Mrs. McCherson, who are quarrelling over the possession of their home, have been turned over to the Children's Aid Society.

To-Day's Nominations.

The nominations for East Hamilton will be held in the court house and for West Hamilton at Association Hall, commencing at 12 o'clock, Monday. The Conservatives will wind up the campaign with meetings in the Britannia Roller Rink and Association Hall, Wednesday, when it is expected that some of the cabinet will be present. J. G. O'Donoghue and J. H. Kennedy, Toronto, will address a Labor meeting Tuesday evening at Britannia Park. A New York dispatch says that Eugene Sullivan, a Hamilton bartender, was caught in the turning over to a gambling establishment.

Cannon Goes Back.

A sharp bit of legal practice on Saturday resulted in the turning over to the United States authorities of Nelson Cannon. Cannon was arrested on the charge of bribing an official of Columbus, Ohio, three weeks ago and extradition proceedings were begun. Judge Snider made out an extradition warrant and this was confirmed by Justice Clute at Osgoode Hall. An appeal to the court of appeal was then entered by M. J. O'Reilly, acting for Cannon. O'Reilly did not notify the department of state of this, and after 15 days had expired from the date of the issue of the warrant an order of surrender was sent from Ottawa. George S. Lynch Stanton took this to the jail and secured the surrender of Cannon. Shortly after this Mr. O'Reilly wired to the department at Ottawa stating that an appeal had been entered and the governor of the state of Quebec held Cannon. It was too late to hold Cannon. It was too late to Columbus.

PELLETIER TO GOVERN ISSUES A CHALLENGE

Asks Quebec's Premier to Contest Dorchester Instead of Choosing a Rural Opponent. MONTREAL, May 31.—(Special.)—The dramatic incidents connected with the present political contest become more numerous as polling day approaches. The latest is the sending of a challenge by the Hon. L. Pelletier, Conservative leader in the District of Quebec, to the Hon. Lomer Gouin, inviting the prime minister to come against Mr. Pelletier in the County of Dorchester. The latter tells the premier that it would be more generous on his part to have allowed a farmer to be elected in Portneuf and to try his strength with one more accustomed to political discussions.

CHARLES HARDY

429 Yonge Street. INSPECTOR OF SCHOOLS CONFESSES TO BIGAMY

Is Arrested at Renfrew While Visiting Parents of Second Wife Whom He Married in April. RENFREW, Ont., May 31.—John Anderson, inspector of schools, Brockville, and for two years principal of the public school here, was arrested Saturday afternoon by Inspector Rogers of Toronto on the charge of bigamy. When brought before Police Magistrate Lady he pleaded guilty to the charge and was remanded to the county jail to await sentence on Saturday next. He was married to the Methodist minister's daughter of this place, Miss Florence Jamieson, in April, and since then has been living in Brockville. At the time of his arrest he and his wife were visiting at his wife's home here. He is 54 years of age and is said to have a wife and nine children living. Anderson went to Brockville last September as inspector of the public schools. Up to that time he was living in Renfrew holding a position as teacher. His recommendation to be considered first-class, but it was since transpired recently that he was not fully qualified for an inspector, though a B.A. graduate of Queen's College, Kingston. Arrangements had been made for the supervision of the close of the work of the term in connection with the schools, the understanding being that Anderson should take the necessary steps to qualify. When he left Brockville during the week it was thought he had gone to Toronto for that purpose. Instead he and Mrs. Jamieson came to Renfrew. The story goes that Anderson has a wife and nine grown up children living in Toronto and that it was on the put of bigamy that he was arrested. Information of wife No. 1 the present proceedings were taken. He has not been living with her for several years. Georgia Peach Crop Big. ATLANTA, Ga., May 31.—State Entomologist E. L. Wortham, who has been in Toronto and that it was on the put of bigamy that he was arrested. Information of wife No. 1 the present proceedings were taken.
