NO THIRD TERM LIKELY FOR W. TORONTO MAYOR

Dr. Hackett Making Strong Canvass and Will Probably Be Elected.

WEST TORONTO, Dec. 20.—(Special.)—As the campaign for the mayoralty grows, it becomes evident that the citizens of this city think that a third term is not the best thing to hold out for those desiring municipal honors. This opinion militates strongly against Mayor Baird, who has already served two terms, and yet, not content with the honor thus given him, proceeds to strive to become mayor a third time, which position by Mayor Baird comes with ill-grace, when it is known that last year he prosecuted his campaign on the ground that if elected to a second term he was not again to be a candidate. Mayor Baird now offers the seemingly plausible argument that he is elected again, he will not be elected for a third term, but only for a fraction of a third term, as it is expected the city will be annexed to Toronto in three or four months. But this is only a flimsy excuse for he has no surety that annexation will be accomplished in such a short time. It will not be done by Mayor Baird, but by the people. Although in three or four months West Toronto are tired of the third term aspirant and believe that municipal honors should be passed around and not hogged by one man. Dr. Hackett's canvass is growing stronger every day. He is greatly encouraged and his friends declare that he will be the next mayor of West Toronto without a doubt.

Husbands Hit In.
The young woman and not endowed with extraordinary physical strength, Mrs. John Black, of Mulock-avenue, is far from being a coward, and if anyone should attempt to steal money from her house there will be trouble, if she knows it. This is probably one of the uppermost thoughts to-night in the mind of a young man named Edward Trempp, late of Boston, Mass., who for the past month or so has been boarding at Mrs. Black's house. Shortly before 7 o'clock to-night, Trempp left his house rather hurriedly, and Mrs. Black, a few minutes later, noticed that all the money in the house which she had in a pocketbook in the parlor, had disappeared. Without even taking time to put on a hat or a wrap of any kind, Mrs. Black dashed out the house and down Keele-street, in the direction in which she suspected Trempp had gone. Jack Johnson was driving past just then in his buggy, and when he saw her, he what had happened he whipped up his horse and overtook Trempp on Keele-street. Just as he was about to board a Dundas car for the city. Being acquainted, the two men naturally indulged in a conversation for a moment, and Mr. Johnson, in consequence of making his remarks interesting enough to permit his friend to miss the car, which he seemed so anxious to catch, Mrs. Black, who by this time had arrived on the scene, promptly led Trempp to the police station, followed by a crowd of interested onlookers. The missing money, amounting to \$10.30, was found on his person and he was taken to one of the cells. He will come before Police Magistrate Egan in the morning. Fire, caused by an overloaded stove, broke out about 9:45 Saturday night in the office of the Central Coal Company, corner of the street and Royce-avenue. The firemen were on the scene promptly and succeeded in extinguishing the blaze with chemicals, the loss only amounting to about \$10. There are thirteen cars of stock in the Union Stock Yards for to-morrow's market.

Council Meets To-night
To-morrow evening the council of 1908 will hold their final meeting and clear up all the remaining civic business of the year.
Doris, the nine-months-old daughter of Mr. and Mrs. George Hayes, 231 West St. Clair-avenue, died this morning at 6 a.m. to-morrow will take place at 10 a.m. Tuesday will be nomination day. West Toronto will for the various candidates in the coming municipal elections. Mayor Baird was charged with the Canadian Temperance League meeting in Massey Hall this afternoon.

NORTH TORONTO.

Ex-Mayor Davis is Very Kindly Remembered.
NORTH TORONTO, Dec. 20.—A pleasant function was, directed in the town hall on Saturday evening, in connection with the unveiling of a magnificent oil painting of ex-Mayor Joseph Stanley Davis. A large audience was present, of which many were ladies.
Mayor Fisher presided, and after little Miss Reed, daughter of ex-Mayor Davis, had read a poem in his honor, Mayor Fisher recalled Mr. Davis' services to the town in a short speech.

Smallpox in Markham Township Reported to Be Receding.
Considerable adverse criticism, whether rightly or wrongly, has been aroused against the Markham Village and Markham Township Boards of Health for alleged negligence of duty in connection with the smallpox outbreak.
For the most part the disease is a very mild type, and to this fact, rather than anything else, is the apparent laxity due. It is charged that the disease instead of abating is steadily increasing, and the local press call for more drastic measures, as the closing of schools, churches and the cessation of all public meetings. Whether heretic measures such as outlined are necessary can best be determined by the board of health and officers in charge.
The provincial health department on Saturday stated to the World that the first and most vital requisite was the vaccination of every unvaccinated person, and that the matter of quarantine was of secondary importance. The question of expense ought not to be considered.

and read the following address, which was beautifully expressed:
To Joseph S. Davis, Esq., ex-Mayor of North Toronto:
Sir—The ratepayers have taken the liberty of requesting your assent to the presentation to the municipality of the accompanying portrait of yourself as a former chief magistrate of the Town of North Toronto. A year ago one of our citizens presented a portrait of our present mayor, which now adorns the council chamber, and this has been thought a suitable opportunity to follow the good example so set by adding your portrait.
You have the honor of being the only ex-mayor of the town, and we trust that this painting will serve the double purpose of reminding the citizens in the years to come of your valued and disinterested services as councillor and mayor of their town in its early days, as well as encouraging the taste for and appreciation of the art of portraiture.

North Toronto, Dec. 19, 1908.
Signed on behalf of the ratepayers, John Fisher, mayor; T. A. Gibson, W. E. Lake, J. W. Whalley, J. W. Johnson, W. G. Ellis, H. H. Ball, W. J. Douglas, Frank Howe, R. Irwin, S. J. Douglas.
Ex-Mayor Replies.
Mr. Davis felicitously replied to the address. 'I trust that my conduct as a private citizen will do honor to the portrait to be hung in the council chamber alongside that of Mayor Fisher, and Mr. Davis, who, I believe, will soon be transferred to the city hall.'
Upon resuming his seat little Miss Reid stepped forward and presented Mrs. Davis with a beautiful bouquet of roses.

All Speak Good Words.
The mayor then called upon the councillors one by one for a speech, also on members of the school board, civic officials and ex-members of the council, as well as on the clergymen present.

Council Meets To-night.
To-morrow (Monday) evening the town council will meet.
On Tuesday evening at 7:30 the nominations for the town will take place in the town hall.

THORNHILL.
Long and Patient Work Meets With Partial Success.
THORNHILL, Dec. 20.—After drilling to a depth of 1200 feet in quest of gas, workmen on the farm of Lewis McGee, west of the village, have struck a subterranean spring. The flow of which was so strong as to force it high in the air.
From time to time curious finds have been reported, at 800 feet the drill bringing up bits of wood, while in some of the work solid granite was struck. The water, when first taken from the opening is clear as crystal, the salty and later assumes the color of the mineral water. A sample to the city experts.

EAST TORONTO.

Retiring Official of the Sunday School is Celebrated.
EAST TORONTO, Dec. 20.—On the eve of his retirement for the position of assistant superintendent of the Hope Methodist Church Mr. Linton was honored by the most flattering expressions of regret from his fellow members.
Mr. Linton is moving to Lakewood-avenue, and on Saturday afternoon, teachers and a number of friends met and presented him with a magnificent leather covered chair, suitably acknowledged the kindness of all, and a number of addresses were given. A pleasant evening was spent by all.

EARLS COURT PROSPERING CONTENTMENT REIGNS
Residents Resent Stories That Make It Appear District is Seeking General Assistance.
That a good deal of distress and want prevails in the city and suburbs is undeniably true, but that the conditions are such as to single out any one district as an object lesson is not similarly conceded.
The village of Earls Court—that large and rapidly growing village on the northwestern border of the city and a suburb for annexation—is a district which has been given a reputation as generally in want. Earls Court warmly resents this suggestion.
Here is a neighborhood which has grown rapidly, the home of thrifty mechanics and not a few business men and private citizens who have gone thither with a view to acquiring more land and better surroundings.
The whole district extending between Davenport on the south, the G. T. R. tracks on the west, Shaw-street on the east, and the northern limits of section No. 13 on the north, is splendidly adapted for building purposes, and has practically sprung into existence within the past few years. That some little hardship would result, due to the partial closing of the Earls Court Company and the other large institutions which were established in common with the other suburbs there is little or no actual want.
The Robinsons, largely interested in real estate transactions, Earls Court, report that fully 95 per cent of the mortgages and payments on Earls Court property have been met, and that the outlook is of the most promising nature.
"We have no scores up there in building lots," said Mr. Robinson Saturday, "and while last year there was a comparatively hard winter, prospects now are bright. Every man will soon own a comfortable home."
Along educational lines good progress has been made, but Dufferin-street school, which has 200 pupils, is already overcrowded, and extensions will soon be in order.
St. David's, well equipped with a Clair Baptist Church, and Broom-avenue Methodist Church, all fairly large, well appointed structures giving good accommodation.
The movement along annexation lines is making substantial progress, and will not be long delayed.
With a large and progressive district, unsurpassed in point of location around the city, Earls Court will make for the city a valuable asset.

YORK COUNTY CURLERS.
Proposal Now to Form a District of York County Clubs.
A meeting of the various curling clubs throughout York County will be held at the Clyde Hotel in Toronto on Tuesday, Dec. 22, at 1:30 p.m.
The gathering is called to consider the advisability of forming a district composed of the county. Each district is entitled to send two delegates.

EARLS COURT.
EARLS COURT, Dec. 20.—The officers elected for the ensuing year by St. John's Lodge, L.O.L., No. 2945, are: W. G. Carter, W.M.; Geo. Miles, D.C.; Wm. Flinders, chap.; Jas. Bainsbury, rec. sec.; Thos. McNaughton, fin. sec.; Robt. McCoombe, treas.; Walter Colby, D.C.; W. A. E. Broom, sec. of conv.; Rev. Mr. Flinders and Alex. Wood, committee.
A number of visitors were present, including First Deputy Reeve, Bro. John Watson, J. W. Pinder, W. Pinder and others.

YORK TOWNSHIP.
Not Probable That Township Council Will Be Opposed.
On Wednesday at 12 o'clock noon, nominations will be held in the town hall, Eginton, for the Township of York for a re-elected, second, third and deputy reeves, and one councillor. It is generally conceded that the council will be elected by acclamation.

EMERY.
The Emery Christmas School will hold their Christmas Tree in the Home Circle Hall on Thursday evening, Dec. 24. After the program refreshments will be served. Admission 15 cents.

NORWAY.
Popular Young Norway Couple Are Wed.
The marriage took place at the Methodist Church parsonage on Wednesday evening, Dec. 16, of Miss Emily Stevens, of Wheeler-avenue and John H. Elson, merchant of Gledhill-avenue, formerly of L'Anaroux. The ceremony was performed by Rev. Mr. Locke.
The bride and groom were unmarried. The bride looked charming in a suit of navy blue cloth with hat to match. The groom's gift to the bride was a magnificent gold watch and chain. An informal reception was afterwards held at the home of Mr. and Mrs. Elson on Gledhill-avenue, where they were at home to their many friends.

LANBTON.
Young Lambton Lady Wins Township Council's Medal.
LANBTON, Dec. 20.—The silver medal donated by York Township Council to the pupils of the township public schools was won this year by Miss Florence Valentine Campbell of Union School, Section No. 2. The presentation was made here on Friday evening last by Councilman J. Nelson, Dr. Bull and others made addresses and the pleasure of the evening was added to by a concert of much merit.

SOUTH YORK CONS.
HOLD ANNUAL MEETING
Big Gathering Elects Officers and Listens to Good Speeches
—A Fine Rally.
The annual meeting of the South York Liberal-Conservative Association was held on Saturday afternoon in the Labor Temple for the purpose of electing officers for the ensuing year. Mayor Fisher of North Toronto was in the chair. With him on the platform were Alex. McCowan, M.L.A. for East York.
Those Who Were There.
Among those present were Reeve G. S. Anagnostou, Syme, St. Thos. Humberstone, W. J. Jackson, Robt. Barker, Frank Howe, W. W. Cording, Mr. H. Ball, W. Baillie, Jos. Francis, Ben Sinclair, J. Burns, W. G. Ellis, J. A. McDonald, A. Barnes, Giffith, S. Hyding, W. G. Carter, L. Hopkins, Dr. Hackett, Fred Goddick, Robt. Hazelton, John Bayliss, W. J. Irwin, Mr. McMillan and Post Sabine.
During the election of officers Alex. McCowan, M.L.A., presided and showed that in the recent provincial and Dominion elections every constituency within the boundary of York County was carried by the Conservatives except North York in the federal election.
Officers Chosen.
These officers were elected: Pres., Dr. Walters of East Toronto; 1st vice-pres., George S. Henry, reeve of York Township; 2nd vice-pres., S. Ryding, West Toronto; secretary-treasurer, H. H. Ball, North Toronto.
Reeve Henry in his speech referred to the annexation movement as the reason why the different municipalities did not take greater interest in even municipal affairs. "Political Crooks," he shouted Post Sabine, when Mr. Henry referred to the investigation of the fishery department at Ottawa.
Mr. Hackett, who said this election was his easiest run for office he encountered for the past 15 years, and even advocated annexation in municipal elections and advocated organizing political clubs in every town.
Dr. Hackett opined that the election in South York by acclamation was an assistance to Centre York, as the workers were able to help the election of Capt. Tom Wallace.
Dr. Hopkins, W. G. Ellis, Geo. Syme, and others also spoke.
Mr. Maclean, M.P., South York, was out of the city and unable to be present.
