ALL-CANADIAN UNION

REJECTED BY STRIKERS

Rev. Father Goddard's Proposal

Turned Down—Both Sides

Unyielding.

GLACE, BAY, C.B., July 26.—(Special.)—Looking over the strike situation to-night a settlement seems as far off as when the struggle began. Both parties are rigid and unyielding and there is apparently nothing in sight but a fight to a finish.

A meeting was announced at Dominion No. 1. It was intended to be an open air meeting. The U.M.W. men report that they were howled down by an organized band of hoodlums and were compelled to assemble in the hall, where quiet prevailed and speeches were made by Messrs. McCollough and Simpson. At the close of the meeting the nine of the men were initiated into the U.M.W. union.

A stir occurred in the square here to-night. About 10 o'clock a large crowd of men gathered in a mass and surged up and down the streets for a time. It was said that a Chinaman was being hustled. The police arrived on the scene and the crowd disappeared.

The question of an all-Canadian union has been discussed here the past few days, but the idea has met with little encouragement from either side. The matter was finally disposed of to-night, when the question, based upon a dissolution of the P. W. A. and U. M. W. was submitted to a meeting of miners by the Rev. Father Goddard, Fenwick.

Before the meeting closed some of the U. M. W. leaders took a hand in the discussion of the matter. The reverend gentleman had previously submitted a proposition to Mr. Dugan, which was based on the formation of a Canadian union, which should absorb the P. W. A. and the U. M. W., and which should provide a ten per cent. advance in wages to men who receive \$2 per day or under. This was also turned down by Mr. Dugan, for the company.

Lawn Tennis at Montreal.

MONTREAL, July 26.—The Canadian lawn tennis championship tourney was opened to-day and will continue the rest of the week. There were a large number of entries from all over the Dominion. Only a few of the preliminary rounds were completed to-day.

**CROP GREATEST EVER**  
**IN CALGARY DISTRICT**

Rains Create Feeling of Optimism—

Harvesting General in

10 to 20 Days.

CALGARY, July 26.—This district yesterday and to-day experienced most beneficial rains, which are this year continuing much later than in almost any previous season, create a wonderful feeling of optimism among farmers who predict the greatest crop in the history of the district. They are using every effort to plow the great-est possible area with a view to sowing a greatly increased acreage of winter wheat, and the rains of to-day will admit of plowing continuing another two weeks.

Farmers in the Gleichen district, east of Calgary, report that harvesting will be general in 10 to 20 days. Already there is marked demand for competent labor at high wages.

**Rain Favorable.**

All reports received yesterday by Toronto grain men regarding the western crop were of the most favorable nature. Abundance of rain, but not enough to injure the grain was the information from Saskatchewan, while other points reported ideal growing weather generally. A slight frost struck the edge of the wheat belt in Alberta, but the damage was said to be insignificant.

Influenced by the promising reports wheat quotations for both the winter and spring article underwent a slight decline.

Regarding the outlook in the Western States the following was received from Chicago by telegraph:

John Ingles writes Logan & Bryan from Bismarck, N.D., July 24: "Western conditions are good. There is the best crop prospects they have had for years. While there are stretches of some unpromising wheat the general acreage is good. It is not too early to make an estimate of yield."

The Chicago Inter-Ocean says: "Patience, farmers! Trade by unloading his wheat and stock, the farmer has a four million bushels to secure profits. Patten is still a tuit on wheat, and believes in higher prices. The farmer, but spring conditions are too good when taken in connection with the large winter wheat movement for price to be maintained."
