

Studebaker  
Established 1855

URABILITY

One thing that adds excess value and life to the Series 18 FOUR and SIX is the special steels used in the manufacture, made to Studebaker's own specifications especially for Studebaker cars.

Another is the scientific heat treatment of vital parts, like gears, axles, axle shafts, etc., which makes them stronger, longer-wearing, and permits lighter weight with increased strength.

A third is the absolute accuracy of Studebaker manufacturing processes, and the resulting perfect fit and alignment of all parts, and perfect balance of motor parts and the entire car, reducing friction and wear to the very lowest point.

This is why Studebaker Cars "stand up," give continuous service month after month, year after year, with low up-keep cost. This is why a Studebaker in the end is one of the most economical cars in the world to buy.

Let us give you a demonstration.

Men of Construction Battalion Recruited in Toronto and District Start.

NEW FORESTRY DRAFT

Will Be Made Up of Men Gathered Here and in London.

All of the men recruited in Toronto and district for the 25th Railway Construction Battalion mobilized at Exhibition Camp last night, and left at eight o'clock for an eastern point to continue their training.

The recruiting depot at 105 West Queen street, occupied by the 25th Battalion, has been taken over by Captain W. E. Gardner, who has authority to raise a draft for the new Forestry Battalion. The draft will consist of one captain, two lieutenants, four sergeants, five corporals and one hundred and sixteen privates. The recruits will be gathered from the Toronto and London Military District, Capt. Gardner is a Canadian and has previously served overseas with the 68th Battalion, transferred to the famous "Fighting Fourth" Battalion in the trenches of the Somme.

Lieut. Forbes C. Grzesick, second in command at the recruiting depot, will be adjutant and paymaster of the new Forestry draft. No men are to be recruited for this unit. The physical standard is the same as that for construction battalions.

It was announced yesterday that the next draft of officers from this district for commissions overseas will include the candidates who were successful at the last artillery course held at Kingston.

The inspection by Major-General Logie of the 216th Battalion, to have been held today at Brantford, has been cancelled.

Word came from England yesterday that the 123rd Royal Grenadiers' Battalion had been ordered to leave for the front, with Lieut. Col. H. Kingham in command, during the first week in February, as a construction unit. It has been permitted to retain its distinctive name, and is an all-Toronto battalion.

Two drafts from this battalion have already been sent to the front to reinforce other battalions.

Thirty-five Toronto recruits offered yesterday, and of this number, 21 were accepted. In addition, 28 men from Ontario points were given their final examination, 33 of them for the 25th Battalion.

The 25th Railway Construction Battalion has appointed an Indian officer to work among the Indian reserves. He is getting quite a response in recruits, the officer, Lieut. Loc, is an Indian chief, speaking the language of the Six Nations Indians.

The 25th has just supplied two drafts of men to other similar battalions and is now further speeding up its recruiting in order to gain strength again. Reports from all Ontario depots show the men are coming in very well.

Returned Soldier Employed.  
Major W. E. L. Coleman, who was awarded the Military Cross for gallantry while serving with the Canadian Mounted Rifles at Zillebeke, was wounded and sent home on leave, has been appointed to the position of brigade-major with the 2nd Infantry Brigade, Toronto.

A course of instruction for qualification of lieutenants will be held at the school of military engineering, commencing March 1.

The following officers have qualified as lieutenants: Lieut. H. W. Baldwin, C.M.B. M. C. Purvin, C.M.R.; E. A. Heatley, Lieut. H. H. Rogers, 21st Batt.; S. J. P. Kirk, 25th Batt.; C. M. Patterson, 10th Regt. (attached 21st Batt.).

Col. E. B. Richardson, former commander of the base hospital, is being mentioned as likely to be appointed to look after the medical work of the mobilization recruiting centre at Sudbury.

GRECE RESERVES ACTION.  
Athens, Feb. 13.—The Greek Government today instructed the Greek legation in Berlin to hand the German Government a note expressing reserve as to Greece's action in case of damage to Greek shipping as a result of Germany's submarine warfare.

LODGE NEWS

INSTALLATION OF OFFICERS.

Toronto St. John's Lodge, I.O.G.T., Occident Hall, Bathurst and Queen streets, installed officers last evening, J. Brunton, D.C.T., acting as installing officer. Hope of Earlscourt Lodge entertained with a high-class musical program. Despite the absence of many members at the front, the lodge is in a most flourishing condition.

St. Andrew's Chapter, I.O.D.E.  
Hold Election of Officers

There was a good attendance of members at the annual meeting of the St. Andrew's Chapter, I.O.D.E., in the lecture room of Old St. Andrew's Church, Carlton street. Regent Mrs. Ballard occupied the chair. The secretary's report showed a most successful year's work accomplished by the members. Some 300 pairs of socks and scarves were sent to men in the trenches. Six boys of the church have been provided with a parcel each month, containing soap, cigarettes, chocolate, gum, bookcases, etc.

A sock shower was given in November when 70 pairs of socks were sent to the front by the 11th Battalion, C.E.F., for its men.

Christmas boxes were sent to two privates in the front line. The sale of 460 puzzles were devoted to supplying the same prisoners with a package of food each week for a year.

Officers elected for this year: Regent, Mrs. Ballard; first vice-president, Mrs. McGee; second vice-president, Mrs. J. M. West; commodore, Mrs. Carmichael; standard bearer, Mrs. Lott; secretary, Miss Marion Morrison; treasurer, Miss Margaret Fraser.

Parkdale Chapter, I.O.D.E.,  
Elects Officers for the Year

At the annual meeting of the Parkdale Chapter, I.O.D.E., held Monday evening in Parkdale Assembly Hall, the following officers were elected for the ensuing year: Honorary regent, Mrs. W. W. Anderson; regent, Mrs. S. M. Sterling; 1st vice-regent, Mrs. H. S. Burrows; 2nd vice-regent, Mrs. H. C. Budd; secretary, Mrs. C. Smyth; assistant secretary, Miss B. Tawse; treasurer, Mrs. H. J. Surtees; standard bearer, Mrs. J. W. Commerford; echo and badge secretary, Miss M. Howie; councillors, Mrs. E. A. Hutchison, Mrs. H. B. Magill, Mrs. W. W. Anderson, Mrs. E. Tindale, Mrs. R. Caldwell, Mrs. J. Grant, Mrs. W. C. Cummings, Mrs. M. J. Quinn, Mrs. C. Johnson, and Mrs. E. J. Conway.

The various reports were submitted and approved of; and in connection with the funds for the furtherance of the Red Cross work it was announced that the sum of \$90 was announced being the proceeds from bridge and euchre. A vote of thanks was extended to Mrs. W. W. Anderson, the retiring regent, who had presided over the chapter since its inception, and who has been to a large degree responsible for its success.

ENGINEERS ARE CALLED  
BACK TO LOCOMOTIVES

Signers of National Service Cards Will Be Asked to Help Out Transport Situation.

Col. Henry Brock, speaking of the call through the national service cards for railway employees, stated yesterday that 150 railway employees have been found not following their calling, and all of them notified their willingness to change their occupation. They will be asked to help out the railroads. Most of them are in the Toronto district, and many are on farms in the surrounding area. Col. Brock said the government would not conflict with unions.

RACTURED AN ARM.

Miss Marjorie McKewen, 52 Eoslyn avenue, fell opposite Toronto University stadium last night fracturing one of her arms. She was removed to Grace Hospital.

Military Hospital Authorities Deny Canadians Are Unnecessarily Held in England

SHIPPING DIFFICULT

Owing to Lack of Shipping Facilities, Only Three Hundred Come Weekly.

A statement issued by the Military Hospitals Commission yesterday denies the report that there are 12,000 Canadian convalescent soldiers at present in England because there is no accommodation in Canada. The statement says that only 3000 Canadian soldiers in England are ready to be shipped to Canada, and that shipping and hospital facilities at Liverpool only permit of 300 men per week returning at present.

The present available accommodation in Canada is 2955 beds. Arrangements are under way providing for 2200 additional beds. With 550 beds in active treatment hospitals, 2250 beds under construction, 1700 beds available in general hospitals throughout Canada, 620 tuberculosis patients now in residence, and approximately 815 of 544, the grand total amounts to 10,900 beds throughout the Dominion.

In Ontario there are 1408 beds, 1350 being prepared, and 250 beds for tuberculosis patients almost ready.

At Whitby this week the hospitals commission will take possession of a new hospital, and before Sunday expect to have at least 150 returned soldiers quartered there. The commission is also preparing cases will be accommodated at the Booth Memorial Home. It is planned to build a new artificial limb factory there. The hospitals commission has taken over for convalescent home purposes numerous buildings in western Canada, including Montreal and Quebec. In Halifax, Dalhousie University will be used as a convalescent home for Nova Scotia.

S. A. Armstrong, director of the Military Hospitals Commission, states that a committee is being considered to co-ordinate the work of the commission and the Army Medical Department. He stated that to meet all requirements, he denied that the commission had called the English authorities to help. He said he would send any more soldiers home to Canada for the present, as there was not sufficient accommodation for them here.

BID FAREWELL TO NEW  
WAR CORRESPONDENT.

Members of the board of directors, the editor and business staffs of The Globe, with old friends and representative citizens, gathered in the editorial room of the paper yesterday afternoon to bid farewell to Stewart Lyon, managing editor, who is going on leave of absence. He became war correspondent for the Canadian Press at the front.

The story in which Mr. Lyon is held by his friends and associates is very high, as evidenced by the many words of praise which were directed to him here. Francis Nelson was chairman and spoke of Mr. Lyon's long and successful association with The Globe. He stated that the management had been more than pleased with the services Mr. Lyon had given in the capacity of chief and gave the assurance that his return would be welcomed.

MacKay, speaking on behalf of the business office and for the directors of the Canadian Press, stated that they believed a wise choice had been made. William Rankin, Jr., hoped the war would not be over until Mr. Lyon had had a chance to run it a while. He spoke a great future for the allies as soon as Mr. Lyon gets on the job.

Victor Ross made the presentation. This consisted of a pair of heavy army boots and a wrist watch.

In reply, Mr. Lyon expressed his gratitude for the sentiments expressed in word and gifts.

AMPUTATE FINGER.  
George H. Scott, 96 Dovercourt road, an employee of the Dominion Glass Company, had one of his fingers caught in a stamping machine there last night and it was so badly mangled that it had to be amputated at the Western Hospital.

Will Take Off  
All Excess Fat

Do you know that there is a simple, harmless, effective remedy for excess fat that may be used safely and secretly by any man or woman who is toiling the slimness of youth?

There is, and it is none other than the latest form of the now famous Marmola Prescription, known as Marmola. It is a reduction of two to four pounds a week without dieting or exercising. Marmola is sold by all druggists at 75c for a large case, or if you prefer you can order direct from the Marmola Co., 184 Woodward Ave., Detroit, Mich.

THEIR VALENTINE

SENT WAR COMFORTS  
TO SOLDIERS AT FRONT

Toronto Women's Patriotic League Despatches Bale of Red Cross Supplies.

Mrs. Arthur Van Koughnet, convener of soldiers' comforts, reported that the cases packed for shipment during the past week from the Toronto Women's Patriotic League, 80 West King street, contained 738 pairs socks, 33 gaiter shirts, 37 gaiter suits, 106 service shirts, 53 scarves, 24 suits pyjamas, 7 quilts, 70 bound books, with a quantity of toilet paper, trench caps and wristlets. In money, \$12.50. Owing to the appeal from the Canadian War Contingents' Association, with its urgent demand for socks for overseas, the convener asked that a special effort be made to obtain as large a number as possible in answer. She also reported that a large amount of civilian clothing had been given over to discharged soldiers thru the Spadina Military Hospital.

SCORE'S TALK ON CLOTHES

It should be the aim of every man to dress correctly and in good taste. This implies clothes of the right character, keeping in mind each man's individual needs, and perfect fit and good workmanship. A. R. Club Dance and Concert  
Attended by Many Visitors

Under the auspices of the A. R. Club, a successful concert and dance was held last evening at St. George's Hall, the chair being taken by the president, L. P. Rees. The following artists contributed to a first-class musical program: C. J. Davies, S. Pitts, Master Victor Andrews, the Kowke Trio, Miss Olive McKinnon, W. T. R. Johnson, T. H. Bell, Miss Labbette, V. J. Gavers, E. Bradt, W. T. Flowers, Mrs. T. Simons, Miss Irene Humble, L. J. Hatley, Miss Anderson and Harry Bennett.

The program was under the direction of the social committee, consisting of James J. Gill, J. Anderson, H. Williams, M. Green, F. G. Evans and John P. D. Fenning, the energetic secretary. In the intermission between the concert and the dancing refreshments were served.

Hovson Committed for Trial  
On Theft and Forgery Charges

On charges of forgery and theft, amounting to \$165, Harold Hovson was committed for trial when he appeared in the police court yesterday. Hovson was employed by a local piano firm, and was charged with having secured a contract for a piano valued at \$375, bearing what purported to be the signature of Mrs. Mary Steele, and \$25 as first payment. Hovson denied that she signed no contract and had paid Hovson \$135 in cash, retaining receipt in full. The manager of the firm received no other money. Bail was renewed.

RED CROSS WORK INTERRUPTED  
Lack of Coal at University Necessitates Closing of War Workers' Rooms for a Few Days.

Owing to the University of Toronto being unable to get coal to heat the buildings, the Hospital Supply Association, which has been operating out of the building, has had to close down their office. However, the ladies in charge of the Red Cross work in the building are continuing their work. They will be back to work on Saturday as to the handling of next week's work.

JAMES WILSON INJURED.

James Wilson, 145 West Richmond street, employed by the Dominion Express Co., while unloading a wagon at the Union Station last night, was struck by a bundle of iron pipe which fell from a truck near where he was working. He was picked up unconscious and removed to St. Michael's Hospital, where he was found to be suffering from concussion of the brain. His condition is serious.

HENRY H. VAN CUTSEM  
IS DEAD IN LONDON

Was One of the Original Promoters of the Cobalt Township Mining Company.

A cable received in Toronto yesterday afternoon announced the death of Henry Harcourt van Cutsem, of 2 Seamore Place, Park Lane, London, England. He has suffered from a lingering illness for the past year, and during the past six months has been unable to leave his home. Mr. van Cutsem was best known in Canada as a member of the firm of Rose, Van Cutsem and Company, one of the large owners of the Mining Corporation of Canada. He was one of the original promoters of the Cobalt Township Mining Company, and later on he and his associates acquired control of the Cobalt Lake, City of Cobalt and other properties, which were amalgamated with the Cobalt Township to form the Mining Corporation of Canada.

About two years ago Mr. van Cutsem married Miss Trafford, a cousin of the Duke of Norfolk, whose death was announced yesterday. His wife and one son survive him.

Gardening Will Be Taught  
To Public School Children

Some time ago the management committee of the board of education authorized Chief Inspector Copley to arrange if possible to secure lecturers from the department of agriculture to address meetings in the various public schools during the gardening season with reference to home gardening among the pupils of the public schools. A letter has now been received from G. F. Walker, assistant director, in which it is stated that the department will be pleased to assist in any manner possible.

BLIND GIRL FUND CONTINUES TO GROW  
Subscriptions Not So Large Today, But More Are Expected.

Today the good angels that smile so sweetly when the human hearts are opened to the little ones in distress, are surely covering their faces with their wings, because with the exception of a few, The World's Little Blind Girl is forgotten. These few benefactors, however, are sufficient to keep up our faith, and somehow we see big things in sight for another day. We have heard of several societies which are thinking of doing something thru their organization, and today's contribution embraces one of ten dollars from Mrs. Ada Johnson, who says: "Enclosed please find my cheque for ten dollars, which I trust will be of some help to the unfortunate little girl at 33 Detoe street, who lost the sight of both eyes. COLLECT MAGAZINES.

Following up the great achievement of last year when over 10,000 magazines were obtained thru the various schools for the use of the soldiers, another campaign to obtain 100,000 magazines for the same purpose and from the same sources has been started. No difficulty is expected in obtaining this vast number.

GIFT FROM YUKON.

A gift of \$25 has been received by the military service department of the Y. M. C. A. from the Yukon Chapter, I.O.D.E., at Whitehorse, Yukon Territory. The money will be devoted to the work of the soldiers.

4 to 30% Advance on this Oil Stock Feb. 20

The demand for oil is growing every day. Forty-cent gasoline is possible by drilling in the oil fields of the high-grade Cushing oil. We have three valuable properties in that district. Room for 10 to 20 greater locations. This company is thoroughly pioneer-established eleven years. It has secured some of the most valuable oil and gas properties in Kansas and Oklahoma. It is now at work on 11 new locations, including last December, average about \$80,000 per month. It has started the new year with a big grab, totaling for month of January over \$108,000 cash actually banked.

This company is investing in new wells and new properties about \$2,500 per day and wishes to increase this to \$6,000 per day and immediately drive its drilling operations on a mammoth basis. It is now at work on 11 new locations, 2 of which should reach production in 1 to 5 days.

A Bartlesville same well has just been completed, showing ninety feet of oil sand only 250 feet from one of our big leases in Pawnee County, proving up several valuable locations where the drills will start at once. Another important producer has been drilled just south of our big Cushing acreage. We can show you how big three 1,200-barrel refineries in operation. Located on valuable real estate in Kansas City, Mo., and at Tulsa, Okla., and Cherryvale, Kas. Two of these refineries are connected by about 200 miles of extra pipe with the larger percentage of our producing wells. This company owns over 2,100 acres by warranty deed through the twelve states, together with over 80,000 acres of leases including about 140 producing oil and gas wells. For eleven years this company has carefully selected choice oil and gas territory through the twelve great oil counties of Kansas and Oklahoma. Besides our fourteen new locations there are about forty other wells being drilled in the districts around and some very close to our lands and leases that may add great value any day.

We have not crippled our company by early dividends, but have invested all the earnings in building a great property when leases were low until the day of speculative danger is past. We have about five hundred good looking locations to drill. There are several additional prospects, but we must have more money to start at once.

During the last eighty days we have opened up two greater properties and the price of crude oil has nearly doubled, and we can invest new capital where it should increase from ten to one hundred times and therefore we can afford to still offer you a part of the stock at nearly the old price before the big advance in oil.

This company is already a great success. Our trade is established. We have our tank cars and marketing stations. It is owned by 25,000 stockholders, governed by twenty-one directors elected yearly from the stockholders. It is a real people's company, now powerful enough to drive very rapidly to danger of any stockholder being squeezed out. We want to raise \$200,000 quick to acquire new properties and increase our drills to at least twenty right now, and develop a great production company that reaches \$400 per barrel. We are offering the public a promoter's profit. We can show you enough at our home office and refinery in Kansas City, Kas., and one night will then take you to Tulsa, where you will be convinced of the great future of this company.

We have a right to expect two 500-barrel new quaters completed by February 20. The drills are going deeper every hour. Big things can happen in a few days in the oil fields. This company has about fifty times as much property back of it and in sight as the usual stock selling company. It has a drilling credit of about \$200,000 among supply concerns, tank builders and drillers who know who is in the oil fields. We are at work for six different drilling contracts for acreage in four states for from 10,000 to 100,000 acres each. We hope to develop the combined properties of the Uncle Sam Oil Company into a total value of forty million dollars (\$40,000,000) before this year ends and

Respectfully submitted,
