In Your Will

Do Not Forget the Little Ones who are Struggling
For Life in the Hospital for Sick Children.

The institution is doing all that can be done to help the sick and maimed children of the Province of Ontario—all who seek admittance.

It is dependent for support upon the charitably inclined.

In answer to enquiries as to the terms on which persons may leave money by will to The Hospital for Sick Children, a correct form is herewith given.

The Hospital is an incorporated institution, under the direct supervision of the Ontario Government—and can legally receive any amount of money which may be given or bequeathed.

The Hospital can also take by gift, devise, or bequest, any lands or tenements, or any interest therein, the annual value of which does not exceed \$15,000, provided the gift, devise or bequest is made at least six months before the death of the person making the same.

The clause in the will may be in the following form :

"I GIVE, DEVISE AND BEQUEATH TO THE HOSPITAL FOR SICK CHILDREN AT TORONTO, THE SUM OF.....DOLLARS," and also, if lands be given, this clause to read: "I GIVE AND DEVISE TO THE HOSPITAL FOR SICK CHILDREN AT TORONTO, THE FOLLOWING IN LANDS (describing them)."

In cases where death is apprehended within six months, and when therefore the devise of lands would probably fail, it will be advisable to put the bequest in this form:—

"I GIVE AND BEQUEATH TO THE HOSPITAL FOR SICK CHILDREN AT TORONTO, THE SUM OF.....DOLLARS, TO BE RAISED AND PAID OUT OF MY MONEY AND PERSONAL EFFECTS."

The corporate name of the Hospital is, "The Hospital for Sick Children," Toronto.
