SCHOOLS, COLLEGES, ETC.

The public schools are governed by a Board of Trustees, each of whom is elected gaterm of two years, the election taking place at the time of the municipal elections. here are four representatives on the board from each ward, half of whom retire at me end of each year. See page opp. 1696 and 1705.

The school buildings of Toronto are of a very high order, being well built, heated nd ventilated, and having the best sanitary equipment known.

The public school system is under the supervision of two inspectors, and has about 600 teachers (including principals.) The total amount paid out for salaries for year 1893 was \$305,023.10; for new buildings and sites, \$4,705.54; for fuel, \$18,000; for repairs and alterations, \$18,029.83, and for school maintenance, ther than these, \$48,872.12, making a total expenditure of \$397,148.59 for the year. Talue of public school buildings, furniture, etc., \$1,420,905.

SEPARATE SCHOOLS.

The separate schools are also governed by a Board of Trustees, but only two are sted from each ward, making twelve in all. They are elected for two years, one-If retiring at the end of each year. Nominations are made the last Wednesday in ember, and in case of a contest the elections take place a week later.

The total number of separate schools in Toronto at the close of 1894 was 19, inling three high schools, in which tuition is free the same as in the lower schools. There are 85 teachers employed, to whom \$20,407 were paid in salaries in 1894. beexpenditure on capital account in 1894, including the erection of one new school ding, was \$9,552, against \$3,181 in 1893. The fuel bill in 1894 was \$2,460 and 1893, 82,652. For Trustees see page opp 1696 and 1706.
