ST. JOHN, N.B., SEPTEMBER 1, 1915. The St. John Evening Times is printed at 27 and 29 Catherine Street every evening (Sunday excepted) by the St. John Times Printing and Publishing Co., Ltd., a company incorporated under the Joint Stock Companies Act.

THE PRESENT APPRAISAL

Why is a great recruiting campaign to be started this week in St. John? Whom does it concern? What interests are at stake? Are there some whose interests are involved and others who have nothing at all at stake and therefore can afford to remain indifferent?

The Russians have given the Germans another surprise. In eastern Galicia they hurried back the enemy, and on both sides they are holding their ground. Now that an assessment commission is seeking information a great silence has fallen upon the tax reformers of the city, that wait till the commission makes its report and recommendations.

It is a kindly and a gracious thing the Automobile Association is doing today, in providing the orphans with a long and delightful ride, concluding with a visit to the animal show so dear to the hearts of children.

The passenger on the little railroad was impatient at the crawling speed. He summoned the porter. "Sam," he demanded, "can't you make better time than this?"

He-At last we are alone. I've been hoping for this chance. He (pleased)—Ah! You know, then, that I wanted to ask you to be my wife, emphatically and get it over with.

Referring to the charges made by Mr. E. S. Carter the Standard says: "This talk of graft and slanders becomes very tiresome unless it can be supported by something more than mere persistence and wind."

STANDARD AND GLOBE The Standard cannot dodge the issue in that matter of the hold-up of the liquor dealers. What prominent members of the government party got the money, and what representations did they make to get it, at a time when the fate of the liquor traffic was being considered by the government? How much money did they get, and what became of it? Mr. Carter offers to get the answers to these questions and the government refuses an enquiry. The people will draw their own conclusions. If the government has no knowledge of any wrongdoing and is not afraid it will grant the investigation. The fund was raised and it was a very large fund. Who got it, and why?

LIGHTER VEIN. "Do you know why this war won't last long?" "No. Why?" "Because it was made in Germany."

"They were all fighting," said Constable Hank Witt of Evanston, Ill., to the police, who found the constable carrying twenty-two husky men with a gun. The men were released when they explained that they were football men in summer training.

If some men are skeptical others place an implicit faith in the doctor's prescriptions; and of these was a man in Lincoln who went to the undertaker to order a coffin for Pat Conell. "Dear me," said the undertaker, "is poor Pat dead?"

He-At last we are alone. I've been hoping for this chance. He (pleased)—Ah! You know, then, that I wanted to ask you to be my wife, emphatically and get it over with.

A Poor Advertisement

The Germanic assumption to all the virtues in a superlative degree is as amusing as the bombastic wording of certain advertisers or the frothy mouthings of cheap political spellbinders.

we were simply to say that we are showing a complete line of Watches, Clocks, Jewelry, Diamonds and other Precious Stones, that we are Opticians, Watch and Jewelry Repairers, that we have a very fine selection of Sterling Silver, Electro Plate and Cut Glass, while it would be all within the truth, it would be a poorly written ad.
