Weddings Suggest Gifts of Silverware

Silverware suggests the name 1847 ROGERS BROS. because it is the leading brand of silver plate and has been for over half a century.

When buying silverware for personal use or gift-giving always look for the name

1847-ROGERS BROS.

"Silver Plate that Wears"

because it identifies the original and best make and is your assurance of securing silver plate that is backed by an unequalled guarantee made possible by the test of over 65 years. Other makes bear the name "Rogers," but not the date 1847.
