To Charge for Bottles

Those interested in the aerated water business have formed an association under the name of the Aerated Water Manufacturers' Association with Ernest McCaw as president and George P. Ham as secretary-treasurer. They have agreed to charge the retailers two cents each in advance for bottles, to be refunded when they are returned, in order to stop the leakage arising from loss of bottles.

## DANDRUFF AND FALLING HAIR

Itching, Burning, Irritated Scalp. Kept Awake at Night. Used Cuticura Soap and Cuticura Ointment. Now Head is Well.

88 De Salaberry St., Quebec, Que.—"About a year ago I began to lose hair on my scalp. At first I didn't notice it, but my hair began falling out gradually and I kept getting bald. The itching and burning were so bad that I scratched and irritated my scalp. I was kept awake at night by the irritation. I used ——— oil, also a few other ointments and they did no good. I then tried a sample of Cuticura Soap and Ointment, washed my head with the soap and warm water, and applied the Ointment. After the first use my hair stopped falling and I got one cake of Cuticura Soap and one box of Ointment. I continued using them for a few months and my head is now well." (Signed) Miss Myrtle Davis, June 3, 1914.

Samples Free by Mail

For pamphlets and blackheads the following is a most effective and economical treatment: Gently smear the affected parts with Cuticura Ointment, on the end of the finger, but do not rub. Wash off the Cuticura Ointment in five minutes with Cuticura soap and hot water and continue bathing for some minutes. This treatment is best on rising and retiring. At other times use Cuticura Soap freely for the toilet and bath, to assist in preventing inflammation, irritation and clogging of the pores, the common cause of these distressing facial eruptions. Sold by druggists and dealers everywhere. Liberal sample of each mailed free, with 32-p. Skin Book on the treatment of the skin and scalp. Address post-card "Cuticura, Dept. D, Boston, U. S. A."

## Learn to Play The Piano in One Evening

You Can! Here's the PROOF

"My boy, who could never play a note, sat down and played three pieces in half an hour. E. W. Windsor, Halls Bridge, Ont." "I certainly think your Method Music wonderful. My Grand-daughter, 11 years old never had a lesson and can play 100 pieces quite correctly." Mrs. (Rev.) Jas. Graham, Inglewood, Ont.

"I could play the first piece in 40 minutes and the second in 10 minutes. Mrs. S. Standing, 400 Bourman Ave., Winnipeg, Man." "My nephew, 9 years old, in 20 minutes learned to play 'God Save the King'."—Barrie Lucier, Burton City, B. C.

"Just Think! I Never Touched a Piano Before."

As simple as A. B. C. because it is nothing but the first letters, A. B. C. D. E. F. G. H. I. J. K. L. M. N. O. P. Q. R. S. T. U. V. W. X. Y. Z. printed in the music of the piano. A chart and guide for use on the piano keyboard (see illustration above) shows you where to put the fingers of both hands. Anyone can learn to play the piano or organ in a few minutes.

The Easy Form Music Method is a genuine blessing to those who truly love music, but who have never before been able to express themselves in melody.
