Hair Often Ruined By Careless Washing

If you want to keep your hair looking its best, be careful what you wash it with. Do not use prepared shampoos or anything else that contains too much free alkali. This dries the scalp, makes the hair brittle, and ruins it.

The best thing for steady use is Mulsified coconut oil shampoo, which is pure and greaseless, and is better than anything else you can use. Two or three teaspoonfuls of Mulsified is sufficient to cleanse the hair and scalp thoroughly. Simply moisten the hair with water and rub it in. It makes an abundance of rich, creamy lather, which rinses out easily, removing every particle of dust, dirt, dandruff and excess oil. The hair dries quickly and evenly, and it leaves the scalp soft and the hair fine and silky, bright, lustrous, fluffy, wavy and easy to manage.

You can get Mulsified coconut oil shampoo at any drug store. It is inexpensive, and a few ounces will supply every member of the family for months. Be sure and ask for "Mulsified." Beware of imitations. Look for the name Watkins on the package.

Mrs. Harold Lawrence and Miss Jessie Lawrence, Junior Red Cross supervisors, returned to the city recently after a tour through Charlotte and Carleton counties. While away they presented flags won by schools which made the best showing in Junior Red Cross work. In Carleton county the flag was won by Hartland and in Charlotte by Moore's Mills. They also presented first aid boxes to children who had written the best letters telling of what the Junior Red Cross meant to them.

The increasing cost of fuel has led to the development of a heating stove that will burn saw dust.

Syrup Pepsin Loved By Hosts of Babies

Half a teaspoonful will make a fretful youngster happy and playful.

THE mother has her choice of many remedies for her baby's minor ills, but she should be careful which remedy she selects lest she do the child harm. What might be safe for herself may do injury to an infant. You will find that if the little one cries and doesn't want to play that its bowels are constipated. First look carefully to the diet and give the child one-half teaspoonful of Dr. Caldwell's Laxative Syrup Pepsin. You will then see results in a few hours. You will not have to force it on babies or children; they actually ask for it. It is so pleasant-tasting and free from gripping.

Dr. Caldwell's Laxative Syrup Pepsin is a compound of Egyptian senna and pepsin with agreeable aromatics. The ingredients are stated on the package. It is a mild, gentle vegetable laxative that everyone finds effective and pleasant. It is better for you and yours than

CELEBRATE FIRST HIGH MASSES HERE

Rev. Fathers McGuire and Conlogue, Recently Ordained, Officiate in Cathedral and St. Peter's.

Rev. Leonard McGuire, C.S.S.R., son of Thomas McGuire, Chipman Hill, and Rev. Arthur Conlogue, C.S.S.R., son of Mr. and Mrs. Daniel Conlogue, Douglas avenue, who were ordained to the priesthood at Esopus-on-the-Hudson, last Sunday, celebrated their first solemn high masses in the city yesterday.

Father McGuire was the celebrant at the 11:30 o'clock mass at the Cathedral of the Immaculate-Conception and the large congregation which attended included many relatives and personal friends of the young priest. His brother, Rev. Henry McGuire, C.S.S.R., who was ordained last year, was deacon. Rev. Joseph Ward, a boyhood friend who for many years resided in the same street, was sub-deacon, while another brother, Austin McGuire, who is also studying for the priesthood, was master of ceremonies. His Lordship Bishop LeBlanc, Rev. Wm. M. Duke and others were in the sanctuary.

Father Henry McGuire preached an eloquent sermon on the honor, dignity and mission of the priesthood and his touching reference to the fact that his mother had passed from this life before she might have the blessing of her son at his first mass, struck a sympathetic spot in the heart of everyone in the church.

After mass many of the congregation, called upon the young priest in the confessional to greet him and receive his blessing.

A happy outing was enjoyed on Saturday afternoon by the Senior Boosters, one of the industrial clubs of the Y. W. C. A. In motor trucks loaned by T. McAvity & Sons, Ltd., and T. S. A car owned and operated by J. E. Tighe of this city, was in collision yesterday near Chatham with another car and the occupants of both machines were cut and bruised somewhat. Mr. Tighe, accompanied by George Montague, George Leclair and William Anderson, all of St. John, were going from Chatham to address a labor meeting at Nelson. The other automobile, occupied by Henry Eddy, Dr. W. B. Jones, M. Jardine, W. H. Baldwin and P. Stewart, was on its way to Black River, where the occupants were going to attend a Masonic church service. It was said that the accident was due to the fact that the drivers could not see each other because of the very thick dust. Both cars were badly smashed up.

Bootlegging Gang Gives Law Officers Tips About Rivals

Important Arrests Follow Upon Information Given by Other Liquor Traffickers.

Toronto, June 25.—Bootlegging gangs on the Niagara are warring. Rival gangs have taken to peaching on one another, and the license officers on both sides of the river are profiting from the "squalling." A number of important arrests have already been made as a result of the tips from rival gangs.

The fact that the bootleggers are warring was revealed by a provincial officer last night, who followed an anonymous tip, later learned to have been furnished by a rival gang. Officers do not know why the traffickers have commenced "squalling" on one another, unless it is because strong rivalry, brought on by feuds among themselves, has created a desire for revenge.

Robbing of bootleggers by other bootleggers is one reason which has prompted "squalling" according to one license officer. It was further learned upon inquiries that daring raids have been made upon the caches of bootleggers at their distributing points along the Niagara River and Lake Ontario.

These raids have been made by gangs of hardened criminals, who took up bootlegging when prohibition went into effect.

Bootleggers driving in high-powered cars loaded with smuggled liquors have been held up at night along the lonely country roads near the Niagara frontier by rival gangs and "hijacked" out of their illicit cargoes.

Failure of the officers to make arrests in these cases is caused by the fact that the victims, through fear of being identified as violators of the law, do not report the robberies. Instead they maintain silence and quietly seek revenge by turning off the Government officers of the operation of their rivals.

It is well known that revenge was behind the bomb-throwing in the three cases of cashed-in SOA's. The case on Robert Street, Toronto. Provincial police learned that bootlegging was indirectly responsible for the Hamilton outrages and similar information was gathered by the Toronto police in connection with the Robert Street bomb-throwing. It is not so long ago that the city police, watching the movement of a submarine chaser waiting to take on an "export cargo" in Toronto harbor saw on board an Italian who had given information respecting the Robert Street outrage.
