BRITISH RECORD CAUSE OF PRIDE

Her Actions in Egypt Saved
Country from State of An-
archy.

There was a record crowd at the Chamber of Commerce luncheon in St. John, N. B., on Monday, when Dr. A. S. Brown, F. R. S., principal of the Normal School, introduced the speaker, Prof. Morrison of Queen's University. His subject was "Great Britain and Egypt," and his address was a talk by a man who personally knew the ground, having served there during the war.

Trouble started in Egypt in 1882, just after the Franco-British intervention, said the speaker. Britain had to go in alone. At that time Egypt was in no position as a nation to deal with her own affairs. The only people who could be taken over by government were the Mohammedans, who would have wrecked everything in a year. In addition a Mohammedan revolt was brewing, and but for British arms would have swept over Egypt.

As Cause to Be Proud.

"There are a score of reasons why Britain should be proud of her intervention," Prof. Morrison said.

Coming to the cause of the recent troubles, the speaker said that one reason was German intrigue. Long before he was the country was honeycombed

THE TORTURE OF INDIGESTION

Thousands Made Miserable
By This Trouble

"FRUIT-A-TIVES" Relieves It

What is indigestion and what causes it? As you know, solid food must be changed into a liquid by the stomach before it can be taken up as nourishment by the blood.

The stomach acts as a churn. It is covered by a strong, muscular coat and lined with a soft, delicate membrane which secretes the gastric juice which digests or dissolves solid food.

When food enters the stomach, the muscular coat squeezes and presses the food from end to end, or churns it, with the gastric juice to dissolve or digest it. But if the stomach muscles are weak—or if the dissolving fluid is poor or insufficient—then food cannot be digested properly and you have indigestion.

"FRUIT-A-TIVES" is the most wonderful medicine in the world for strengthening the stomach muscles and providing an abundance of pure, full-strength dissolving fluid to completely digest every meal. "FRUIT-A-TIVES" does this because it keeps the kidneys active, the bowels regular and the blood pure, which insures pure Gastric Juice.

"FRUIT-A-TIVES" will correct your indigestion or dyspepsia, enable you to enjoy every meal. Try it. 50c. a box, 6 for \$2.50, trial size 25c. At all dealers or sent postpaid by Fruit-A-tives Limited, Ottawa.

with German spies and intriguers, who left the country seething with unrest. Then there is a stirring in the Mohammedan world. This quickened the discontent in Egypt. The war was, of course, a big means of upsetting conditions. The method of raising the Egyptian labor corps was a cause of trouble also. Britain is able to hold her own, but does not wish to do it with injustice. Mistakes have been made, the speaker said, but mistakes which Britain is quite willing to stand by.

Factors of the Problem.

"How to keep world trade and world peace and give Egypt a square deal is the problem," Prof. Morrison said, adding that he expected Lloyd George to

Science now shows why we may sometimes grow weak, thin and emaciated upon an abundance of food (lacking in Vitamins) while with a much smaller amount of food, rich in Vitamins, we may quickly take on good, firm flesh, increase in weight and make a remarkable gain in strength, energy and endurance, provided, of course, that our blood contains a sufficient amount of oxygenated organic iron to enable us to assimilate our food properly. Without organic iron, both food and Vitamins are absolutely useless as your body cannot change like food into living cells and tissues unless you have plenty of organic iron in your blood. This organic iron takes up oxygen from your lungs. This oxygenated organic iron enters your blood like a fire uniting with coal or wood and by so doing it creates tremendous power and energy. Without organic iron in your blood your food merely passes through your body without doing you any good. Therefore, to practically every case "Yeast Vitamins" are necessary, organic iron is also necessary. For centuries scientists tried in vain to produce organic iron. At last they have obtained pure organic iron from yeast. This is the "Nuxated Iron," which is ready for immediate absorption by the blood the moment it enters the system. If you purely wish to increase your energy, vigor and endurance we recommend that you take Nuxated Iron. It is the only person should normally weigh. It does not claim, however, that Vitamins will not do everything. Some people are naturally too thin and will probably remain so in spite of Vitamins and everything else.

Those whose meals consist principally of meat-soups, white bread, meats of various kinds, fish, potatoes, tinned fruits and vegetables, pies and cakes are likely to suffer from under-nourishment and a weakened physical condition due to a deficiency of both Vitamins and Organic Iron, so matter how much they eat, and in such cases both Vitamins and Nuxated Iron should be taken.

Arrangements have been made with the druggists in this city to give every reader of this paper a large \$1.00 package of Genuine Yeast Vitamins Tablets absolutely free, with every bottle of Nuxated Iron that you purchase. Be sure to take only "Nuxated Brand" Yeast Vitamins Tablets, pure and unadulterated, with Nuxated Iron. Do not be misled by imitations which often contain harmful ingredients. Wall Rounded Figure, Firm Flesh, Beautiful Complexion, Strong Steady Nerves.

It is often surprising what a tremendous amount of pep, vigor and force a little more oxygenated organic iron will give a person whose blood is deficient in this magic-like substance. If after taking Nuxated Iron you do not receive all the good and even greater benefits than you expect, the manufacturer will promptly refund your money.
