Friday, 4th of May, 1875
PRESENT

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS it is provided by the 58th Section of the Act 31 Victoria, Chapter 6, intituled, "An Act respecting the Customs," that the importer of any cattle or swine may slaughter and cure on a pack the same in bond, under such Regulations and restrictions as the Governor in Council may from time to time make for this purpose.

And whereas it has been found expedient to give effect to the said Section 58, in so far as regards the importation of swine, and to alter the terms of the Regulations for this purpose, adopted by Order in Council of 22nd of May, 1868:

His Excellency, on the recommendation of the Honorable the Minister of Customs and under the provisions of the said Act has been pleased to order, and it is hereby ordered, that the said Order in Council of the 22nd day of May, 1868, and the Regulations thereto established be and the same are hereby repealed, and that the following Regulations be and are hereby adopted and established in lieu thereof—that is to say:

1. Upon the importation of swine for the purpose of slaughter, the Importer shall enter the same for Warehouse, upon the usual form of such entries, stating upon its face, the number and value of the herd, and also the quantity of pork, bacon, hams and lard, which the slaughterer will produce when slaughtered and dressed at 112 pounds weight for each live hog so imported, and the amount of duty to which such produce is or may be liable under the rate prescribed by the tariff in force at the time being as the proper duty on meat of that kind. Such Importer shall then execute a bond to the Queen, in double the amount of such duty, the condition of which bond shall be, that upon the due exportation within one year of the said products of the swine so imported and converted into pork, bacon, hams and lard, or payment of the duty secured by the said bond, then the said bond shall be and become void, and, otherwise shall remain in full force and virtue.

2. Upon the receipt into the Bonding Warehouse, the swine shall be regarded only as meat, and it shall not be lawful to remove any of them from such Warehouse alive; nor shall any part of the produce of such swine be removed therefrom, for any purpose, without a permit from the Collector, or proper Officer of Customs, as in the case of all other bonded goods.

3. Swine imported in the carcasses to be cured and packed in bond may be entered in the usual way for Warehouse, and be placed in the premises established as a Warehouse of this class for the special purpose of curing and packing. The weight of such carcasses to be duly ascertained by the proper Officer of Customs, and the Importer shall give bond to the Queen in double the amount of duties accruing thereupon under the tariff then in force, conditioned for the due exportation of such carcasses to the duty of duty within two years from the date of first entry.

4. The killing pen, curing and packing house, and all cellars, stores or other apartments included in such a bond, shall be accessible at all times between sunrise and sunset to the inspection and survey of the Collector or Inspector of Customs, or any officer of Customs to whom the duty of such inspection may be assigned by them or their officers.

5. The produce of swine imported alive and slaughtered for slaughter, at the rate of 112 pounds for each hog, and the meat of the swine supported in carcasses for curing and packing, at the rate of 112 pounds weight at first entry, shall be subject while in bond to all changes in the tariff rate of duty, and when entered out of bond for consumption, shall pay the rate of duty in force at the date of such entry.

W. A. WIMSWORTH,
Clerk of the Council.
