**A Splendid Investment for Quick Profits. Buy now the Stock of the PITTSBURG-MANHATTAN Mining Company of Tonopah, Nevada. 100,000 Shares--Par Value \$1.00, Fully Paid and Non-Assessable--Offered at 10 Cents Per Share.**

## PROPERTY AND LOCATION.

The most notable facts of the Company are that it owns proven gold and silver bearing land; not only is the ore there, but it is there in quantities, an apparently inexhaustible supply of pay ore. The Company owns the Gregory Group of Five Claims, situated in the Famous MANHATTAN DISTRICT, and also has several Claims in the LONE MOUNTAIN DISTRICT; both these districts are the richest in the WORLD. The tunnels have been opened up on the Lone Mountain Claims and indications point to striking large bodies of high-grade ore carrying values in Gold and Silver.

## MINING HAS BUILT MANY GREAT FORTUNES.

Nothing so surely offers large returns as a good Mining Stock. Probably you do not realize how many people there are who are enjoying a regular income as a result from investing in Mining Stocks. There are thousands of them, and they are largely those who bought their stock when the opportunity was first offered to secure shares at a low price before the company had begun to pay dividends. Stocks of many mining companies have advanced from a few cents a share to prices ranging from \$100 to \$1,500 a share in value, and besides have paid back to the investors in dividends many hundred times what they first invested. Many of the companies are paying from 100 per cent to 1,000 per cent in dividends on the first price of the stock. To grasp this opportunity and purchase stock in the PITTSBURG-MANHATTAN MINING COMPANY at 10 CENTS a share means success to you; and that means houses, good living, travel, education and social privileges for your children. If you do not grasp this opportunity and secure a good share of wealth you are likely to be classed as a failure. The proposition is in the hands of men whose ability and integrity cannot be questioned, and these men pledge themselves to see that each and every investor in the enterprise receives an equal division of the profits. Experts have examined the property, and it is the universal opinion that it has a wonderful future.

## ORGANIZATION.

The Company is organized under the laws of the State of Nevada. Capital stock of \$1,000,000, divided into shares of the par value of \$1.00 each; 400,000 shares are in the treasury which will be sold as required for developments from time to time.

## 10 CENTS PER SHARE, CASH OR INSTALLMENTS.

We want to impress upon you the fact that you don't have to be rich in order to become a shareholder in this splendid Company. The price of shares is only 10c and you can buy as few as one hundred (100), \$10.00 worth. If you are not in a position to pay cash for all the shares you desire to own we will accept a small payment down with the order, the remainder to be paid in five monthly installments. Suppose you want to invest \$10.00 in this Company; simply send us \$2.50 with your order for 100 shares, and thereafter \$1.50 per month for five months and the stock will be paid for. It's very easy—anyone can afford to do this. Almost everyone has enough money in a year to buy them an interest in this Company which would make them independent for life. Send in your order to-day. The following table will show you just how many shares your money will buy, the amount you send if you want to pay all cash, and the plan for monthly payments:
