GENERAL BUSINESS.

Golden Ball, Shoe Store

FURNITURE EMPORIUM

The Golden Ball Boot and Shoe Store is the oldest established in Mirarnichi. It is now fifteen years since we commenced business exclusively in the above line, and we can now point with pleasure, to hosts of patrons, who have invariably, purchased from us, during that length of time. The reason is plain. We buy entirely from the best manufecturers, consequently our goods give satisfaction. We might purchase cheap, shoddy goods (that are only meant to sell and not to wear) but by pursuing that policy, it would be impossible to retain our customers. The best goods are the cheapest in the end.
