THE WEEKLY SUN, ST. JOHN, N. B.

One thousand men at Atlanta, Ga., came up to volunteer to fight Mexico, Saturday night, Now, fetch along your benefits, said the Toronto Globe when the Canadian Pacific railway was completed. Take a cup of tea, Deacon. Ostrich farming is attaining prominence in California. At a recent picking on an estrich farm, fifty pounds of feathers were obtained, worth \$160 per pound, or \$8,000 for the

pick. Texas howls for a Mexican war. Maine screams for Canadian blood. And the great, sensible United States sits calmly between the two and smiles a pensive smile.

A curious application of the magnet is described in a French journal, the subject of it being a clock recently patented in France. In appearance the clock consists of a tambourine appearance the clock consists of a tambourine on the parchment head of which is painted a circle of flowers corresponding to the hour signs of ordinary dials. On examination, two bees, the one large and the other small, are discovered crawling among the flowers. The small bee russ rapidly from one to the other, completing the circle in an hour; while the large one takes twel e hours to finish the circuit. The parch-

The Peake's Island Daily says : "An interesting story is told by one of our cottagers of his experience with rats. During the winter the anoying pests effected an entrance to the cottage and in the spring and summer became very bold. It was no uncommon thing to see ten or a dozan about the premises in a day. The other morning, observing a huge rat run from his hole, the lady of the cottage seized a bottle of very strong anogenetication On the 10th inst, Ernest William, infant son of Alice M. and Wm Peters, jr, aged 4 months and 13 days.
