Rev. Benj. Beatty arrived in the city resterday, after conducting a series of special services at Halifax, in connec-tion with the Methodist and Baptist churches of that city.

Capt. Guptill, of Grand Manan, will cure and smoke herring on an exten-sive scale at Point du Chene for the West Indies. He will be able to handle several barrels daily.

At Newcastle yesterday the old board of mayor and aldermen was re-elect-ed by acclamation, with the exception that Ald. Maitby retired, and was suc-ceeded by Dr. Pedolin.

The Newfoundland schooner Minnie E. F. is ashore at Savage harbor, P. E. I., and a total wreck. George E. Gallop, one of the crew was washed overboard and drowned. He teaves a wife and five children.

Two more heavy locomotives for the I. C. R., built by the Manchester locomotive works, arrived at the I. C. R. station yesterday. These engines will probably be employed on the northern division.

R. D. Wilmot, M. P., from Sunbury, who was in town yesterday, thinks it probable that Sir Louis Davies will shortly retire from the cabinet, but will not be succeeded by Mr. Costigan, He adds that the Ontario members defined, have an excellent opinion of the Hon. Mr. Blair.

The steamer Orinoco, the latest ad The steamer Orinoco, the latest addition to Pickford & Black's West India fleet arrived in port last evening. She is a fine ship. He'r dimensions are: length 330 ft, beam 37 ft, depth 25 ft, registered toninge 1,556, gross toninge 25,000. She is a 'very completely equipped steamer, with excellent passenger accommodations.

Louis Bertrand, the man who bro Louis Bertrand, the man who croke into the Westfield houses, was taken to Hampton yesterday by Detective Ring and lodged in jail. The prisoner has decided to be tried by the speedy trials act before Judge Wedderburn. The day of the trial has not been decided upon.

The council of the board of trade The council of the board of trade, Toronto, yesterday, decided to offer vigorous opposition to H. J. Logan's bill in the house of commons to the effect that the preferential tariff shall apply only to goods entering Canada by Canadian seaports and shipped direct from Great Britain.

The members of the Balbougie Cluk The members of the Balbougie Club, last evening, tendered Chas. McL. Troop, one of their members, a dinner at the Dufferin hotel, previous to his departure to South Africa and the River Platte. Mr. Troop will make the voyage in the steamship Kentigern, which is loading hay for Cape. Towa, and is expected to sall tonight or to-morrow.

REFORMATORY APPOINTMENT. At the meeting of the board of dirs of the Refor natory, yesterday afternoon, Mr. and Mrs. Israel M. Longley were appointed to the super-intendency made vacant by the retirement of Mr. Bustin. Mr. Longley is well known as a master builder, and as for many years a highly respected

citizen.

The board is still looking for a suitable candidate for the position of guard in the place of the present one, whose resignation has been handed in, to take effect April 30.

C. E. CONFERENCE. A conference of the Christian Endeavor societies was held last night in St. John's Presbyterian church. President R. Duncan Smith occupied the chair, and Wm. Shaw of Boston, the treasurer of the World's C. E. Union, who was prevented by delayed trains from attending the meeting in Centenary Tuesday night, led the discussion.

tenary Tuesday night, led the discussion.

The matters considered dealt with the advancement of the interests of the local union work, how to interest the Sunday echool teachers and the parents in the conversion of the boys and girls, how to improve the prayer meetings and care for strangers. How to build up the local societies and secure the interest of the younger people, and many other questions of like importance to the work.

Revs. Dr. Read, T. F. Fotheringham and Geo. Steele and others took part in the discussion. The suggestions and advice of Mr. Shaw were received with great interest by all in attendance, and the result will probably be a definite re-organization of the various societies in the city.
