## BIG INDUSTRY FOR GASPE CO., QUEBEC PROV.

Mammoth Pulp and Lumber Mills to Be Erected and Hundreds of New Brunswick and Quebec Men Will Be Employed.

A large and important industry is to be established on this side of the international boundary line and more than \$1,000,000 will be expended. The Great Eastern Pulp Company has just been organized for the purpose of erecting and operating extensive pulp and lumber mills at Madeline River, Gaspé County, Que., not far from the New Brunswick border. An inexhaustible timber supply, a splendid water power, a deep water port and connection with two short railway lines projected and to be built very soon to connect with the Canadian Government railway system induced the promoters to locate in the county.

Three hundred thousand acres of timberland have been transferred to the new corporation which will issue \$600,000 bonds and the same amount in stock, both already largely subscribed.

The majority of the directors are Canadians, although John Mullen of Bangor is president. Archibald Hay Cook, K. C., of Paspéblanc, on the Bay Chaleur, is vice-president and James Murphy, K. C., of Quebec, secretary. One of the directors is Garret Schenck of New York, president of the Great Northern paper mills of Millisnoke and Madison, Me. Hardie S. Ferguson of New York will be in charge of the construction work, contracts for which have already been let.

The pulp mill will have a capacity of 30,000 tons of ground pulp wood annually and the annual output of the saw mills will be 10,000,000 feet of long lumber. The plant is expected to be ready for operation by November 1st. Hundreds of New Brunswick and Quebec workmen will be employed.

## JUDGMENT DELIVERED IN CASE OF LIM KING

Chief Justice McKeown Gave His Decision in Supreme Court Chambers on Saturday.

On Saturday morning Chief Justice McKeown delivered judgment on the application for a habeas corpus in the case of Lim King, a Chinaman, who on the 12th March last was convicted upon a summary trial before the police magistrate of St. John for keeping a common gaming house on Mill street.

His Honor found that there was some evidence upon which the defendant might properly have been convicted and refused to review the decision upon that ground. He also held that it was not necessary that the conviction should set out in detail the circumstances which constituted the offence, and that it was enough to state that it was for keeping a common gaming house. He held that he was bound by the return and could not enquire into the allegation that the magistrate on the trial had imposed a different penalty, subsequently altering it, and decided that a minute of adjudication is unnecessary under summary trial procedure.

Sec. 781 of the code provides that for the offence charged the magistrate may imprison the offender with or without hard labor for a term not exceeding six months, or may fine him, not exceeding, with the costs in the case, \$200, or may both fine and imprison him not exceeding the said term and term. Sub-section 2, of this section also provides that "a fine may be levied by warrant of distress under the hand and seal of a magistrate or the person convicted may be condemned, in addition to any other imprisonment on the same conviction, to be committed to the common goal or other place of imprisonment for a further term not exceeding six months unless such fine is sooner paid."

The magistrate fined the accused \$200, and in default of payment committed him to goal for three months. His Honor held that the power to impose imprisonment as a penalty for non-payment of a fine could only be exercised in cases where the defendant had been sentenced in the first instance to both fine and imprisonment, or to imprisonment only. He was of opinion that otherwise no effect would be given to the words "in addition to any other imprisonment." He accordingly ordered the issue of a writ of habeas corpus under which the defendant was released later in the day.

The case is important, as there is very little authority in the reported cases upon this subject. The opinions of the text writers are in accordance with His Honor's judgment, which he based upon the doubtful meaning of the section, in which case he felt the construction most favorable to the liberty of the subject should be adopted. D. Mullin, K. C., for the applicant; Dr. W. B. Wallace, K. C., for the attorney-general; and Dr. J. B. M. Baxter, K. C., for the informant.

Port Au Prince, Haiti, May 4.—President Artigue has sent a message to the senate and chamber of deputies demanding a declaration of war against Germany and a committee has been appointed to consider the question.

## SCHOLARLY SERMONS BY REV. MR. DRUMM

Visiting Moncton Clergyman Makes Excellent Impression at 60th Anniversary First Presbyterian Church Yesterday.

Yesterday was the 60th anniversary of the First Presbyterian Church at West St. John. Before large congregations, including many from the city proper, the Rev. T. Porter Drumm of Moncton, delivered able and eloquent sermons both morning and evening. Rev. Mr. Drumm's discourses were quite appropriate to the important days in the history of the church and his appeal for the congregation to continue on their splendid Christian record made a profound impression.

The general opinion prevails that the anniversary services were inaugurated most auspiciously yesterday. The presence of Rev. Mr. Drumm adding immeasurably to the opening. The anniversary services will be continued during the week and will be brought to a conclusion on Sunday next.

In the evening the Rev. Mr. Drumm spoke from the text: "Because Ye belong to Christ, Mark IX-41." The speaker divided his address into three heads: proprietorship, privilege and responsibility. The address was a most eloquent appeal for consecration and surrender to Christ in view of the occasion that the church was observing. His appeal to the men of the congregation was particularly impressive. The duty of living Christ like Christians and confessing Christ was clearly emphasized.

The great theme of Rev. Mr. Drumm's evening address was the love of God and the speaker expressed the conviction that although sin and cruelty appeared to be in the ascendant at the present time, love of God would conquer and truth and righteousness would prevail.

Rev. Mr. Drumm took his morning text from John I-39. It was about the tenth hour. He said that the text should be read in the light of the fact that there were certain marked and memorable hours of life. He proceeded to illustrate that fact from the scriptures and from history, speaking among other matters of the turning points in the lives of John Bunyan and John Wesley, culminating with the great hour when Jesus of Nazareth died on the cross.

The speaker incidentally dwelt on the fact that the road man and the road woman and the manner in which they lived and the manner in which they died were sometimes interrupted by startling events. The crisis revealed the character of the man and the woman and the opportunity presented itself was pointed out.

The speaker incidentally dwelt on the fact that the road man and the road woman and the manner in which they lived and the manner in which they died were sometimes interrupted by startling events. The crisis revealed the character of the man and the woman and the opportunity presented itself was pointed out.

During his remarks, Rev. Mr. Drumm paid a high tribute to the unknown heroes in the strife, which was particularly appropriate to the sacrifices of those who have consecrated their services to the empire in the present war crisis. He read verses telling eloquently of the greatness of these heroes.

The singing at both services yesterday was much enjoyed. In the morning the regular choir augmented by several city sinners sang appropriate hymns, while there were sacred solos by Mrs. Ferris and Mr. Gilvan. In the evening the singing was also an important feature of the anniversary service. In addition to two anthems by the choir, solos were given by G. S. Mayes and Mrs. Ferris.

Rev. Dr. J. A. Morrison, pastor of the First Presbyterian Church exchanged pulpits with Rev. Mr. Drumm for the occasion. He addressed large congregations at St. John's Church, Moncton, yesterday.

boys met at the Y. M. C. A. building early Saturday morning ready to participate in the weekly hike. The hike had been specially planned so that the boys could be allowed to compete in the distance throw in the Canadian Standard E. decency Test. Starting from the building at seven o'clock the boys hiked it to Mahogany Beach where an all day stay was made. After they had partaken of a hearty lunch the distance throw test was made, the object being to see who could throw the farthest with a baseball. The longest throws were made by H. Markham, 182 feet; J. Jacobson, 150 feet; and I. Havelin, 141 feet. Later a speedy baseball game was played between the "Dirty Shiris" and the "Never Give Ups." After an exciting contest that lasted the rest of the afternoon the game was called with the "Never Give Ups" ahead by the score of 16 to 13. At six o'clock the boys returned to the Y. M. C. A. building well satisfied with their day's work. A. M. Greig, Arthur Wright and H. O. Bonk were in charge of the boys.

Newspaper Man Banquetted. James H. Conlon, of the writing staff of the Telegraph, who is to be a principal in an interesting event in the early future, was tendered a banquet at Bond's on Saturday evening by about twenty-five friends. Bruce S. Robb was the chairman. A musical programme was much enjoyed. Several of those present congratulated Mr. Conlon on the important step he is taking and expressed their best wishes for him and his bride to be. The gathering was brought to a close at midnight with the singing of the National Anthem.

Gunner Ledford Dead. Charles Ledford, 67 High Street, was the recipient of sad news yesterday when he received a telegram from Ottawa announcing the death of Gunner Frank H. Ledford, his son, at No. 1 Casualty Clearing Station on April 25th, from wounds received on the 17th of April. Gunner Ledford was the only son, and before enlisting was employed as inspector for the Dominion Public Works. He left St. John on the 15th of July, 1915 with No. 1 Battery of Halifax, under Col. Linder Cole. He was later transferred to the 12th Battery a week before he received the wounds from which he died. Gunner Ledford was in the

Arrested for Stealing. Daniel Delaney was arrested on Saturday afternoon by Detective Briggs and a C. P. R. official for stealing goods from the sheds at West St. John. It is understood that Delaney has at different times taken goods out of the sheds.

Canadian canning factories are concerned over the fact that they have to depend on American companies to furnish the cans and that this year the supply of cans in the conservation of tin is much less than usual. American canneries are able to obtain only 40 per cent. of their usual requirements and are intending to can only perishable goods. Where the Canadian factories will fit is not yet known exactly but they too will probably be able to use tins only for exceedingly perishable products. Card-board paper machine and other manufactured containers are being suggested for some lines.

Sussex, May 3.—St. Michael's Roman Catholic Church at White's Mountain was destroyed by fire today with all its contents. Rev. Father McDermott of Sussex, was notified by telephone this afternoon at 3 o'clock that the church was burning and hastened to the scene by auto, but found the building a mass of smoking ruins on his arrival.
