

Treasurer's Statement.

FROM SEPTEMBER 1ST, 1894, TO SEPTEMBER 30TH, 1895.

We, the members of the Young Women's Christian Temperance Union, gratefully acknowledge the kindly assistance of all who have helped us in the carrying on of this department of Christian work. Our success in the past encourages us to continue our efforts, hoping to have the assistance of those who have already contributed, and that many more will show their sympathy by giving us financial aid.
