Anniversary services will be held in St. John's Church, Presbyterian church, Sunday next at 2:30 and 7:30 o'clock and will be conducted by Rev. Mr. Stewart of Dutton.

It is estimated that five thousand people attended the Melbourne Fair last week, the largest attendance on record. The exhibits exceeded those of other years in both quality and quantity.

Dr. W. H. Wilson of Randall, Iowa, was in town last week renewing his subscription for The Transcript and left five dollars with the editor to assist in purchasing comforts for the boys overseas.

The latest shortage attributed to war conditions is one affecting electric incandescent lamps of all sorts, and, according to dealers, the people may regard themselves as most fortunate to get a supply at all.

Keep the home fires burning and the boys at the front supplied with comforts. Don't lag, keep sending, every week, every day, if necessary. We cannot do too much for the boys who are risking their lives for our benefit.

Wm. Dobson, who purchased the farm of D. A. McKee in Albion, near Walker's bridge, had his residence and nearly all contents destroyed by fire last week. An insurance of \$250 was on the building and contents.

A union service will be held in the Presbyterian church next Sunday evening, when Mr. Bowen, Bible Society representative, will give an address. The evening services in the Anglican and Methodist churches will be withdrawn.

Members of fraternal societies who get carried along by their brethren for months and then just "drop out" will be into rest on Monday evening, that they can be used and made to pay up. It is a good doctrine, too. It is a mighty unfraternal thing to cheat brethren who have shown so much consideration as to keep members in good standing.

The annual thank-offering meeting of the Ross Mission Band will be held in the lecture room of the Presbyterian church, Monday evening, Oct. 16, at eight o'clock. Mrs. (Rev.) Stewart of Lalgie will be present and give an address on Trinidad. Special music is being prepared. Everyone is invited to attend. Silver collection will be taken.

A birthday party given by Mr. and Mrs. W. R. Sutherland at their home on Thanksgiving Day was in honor of his mother, Mrs. Wm. Sutherland, who on the 26th of this month will have completed her ninetyeth year and is as bright and hearty as many who have not passed the allotted span.

Mrs. Sutherland was born in 1829, what is now the city of London, Ontario, near the village of London, Canada West, and is probably the oldest living person born there. Her father was Wm. Robb, who has the grist mill in London. Scenes and incidents of her childhood days in the village on "The Forks" are still fresh in her memory and she delights to tell about them.

## "I FEEL LIKE A NEW BEING"

"FRUIT-A-TIVES" Brought The Joy Of Health After Two Years' Suffering

MADAM LAPLANTE

35 St. Rose St., Montreal, April 4th.

"For over two years I was sick and miserable. I suffered from constant headaches, and had Pulpitation of the Heart so badly that I feared I would die. There seemed to be a lump in my stomach and the Constipation was dreadful. I suffered from Pain in the Back and Kidney Disease.

I was treated by a physician for a year and a half and he did me no good at all. I tried "Fruit-a-tives" as a last resort. After using three boxes, I was greatly improved and twelve boxes made me well. Now I can work all day and there are no Headaches, no Pulpitation, no Heart Trouble, no Constipation, no Pain or Kidney Trouble and I feel like a new being—and it was "Fruit-a-tives" that gave me back my health."

MADAM ARTHUR LAPLANTE.

#### The Serpent's Venom.

A physician while talking with a group of friends remarked: "It is common to hear people speak about poisonous serpents. Serpents are never poisonous; they are venomous. A poison cannot be taken internally without bad effects; a venom can. Venoms to be effective have to be injected directly into the circulation, and this is the manner in which the snake kills. Their venom taken internally is innocuous."

#### An Appreciation.

An old sea captain was turning over the leaves of a friend's album when, coming to the photograph of a young lady of whose acquaintance the family was rather proud, he was asked what he thought of her. "Awful," was the old sea rover's reply. "If I were going to make a rare stroke of business I'd buy that girl for what she was worth and sell her for what she thinks she is worth!"—London Mirror.

## A SWISS MYSTERY

It Looked For a Time as if It Were Beyond Penetration.

### BUT IT WAS ALMOST SOLVED.

An American Visitor in the Republic, Who Wanted to Know About Its President, Finally Came Near Getting the Information He Craved.

Switzerland is a republic that runs with the exactness of a Swiss watch, its machinery as hermetically concealed. I had heard that the Swiss republic set the pattern of government for the world, and I was anxious to know something of its methods and personnel.

I was sorry that I was so ignorant. I didn't even know the name of the Swiss president and for a week was ashamed to confess it. I was hoping I might see it in one of the French papers I puzzled over every evening, but at the end of the week I timidly and apologetically inquired of our friendly landlord as to the name of the Swiss president.

But then came a shock. Our landlord grew confused, blushed and confessed that he didn't know it either. He had known it, he said, of course, but it had slipped his mind.
