

Maple Creek, or such other point or points as may be hereafter designated by the Minister of Agriculture, subject to the following regulations, additional to those referred to in section 20 herein:—

- (a.) The production of a certificate from the territorial Veterinarian or other official person to the effect that no pleuro-pneumonia or other infectious disease among cattle exists, or has existed within twelve months, in the district whence such animals have come.
- (b.) That such animals be not moved nearer than within twenty five miles of the shipping point of Maple Creek until they have been inspected by a duly qualified Veterinary Officer, appointed by the Minister of Agriculture, and by him declared to be free from contagious disease.
- (c.) That the yard or places provided by the Canadian Pacific Railway Company for the shipment of these cattle shall be at least half a mile distant from any yard or places used for the shipment of Canadian cattle, and, further, that Maple Creek shall not be used as a feeding station by the Canadian Pacific Railway Company for Canadian cattle in transit either east or west on their line.
- (d.) That the cars used by the Canadian Pacific Railway Company for carrying cattle from Montana in transit east for exit at Emerson or Gretna shall have each a distinguishing mark, that the numbers of each of such cars shall be registered by the officer of Customs at Maple Creek, and that each of such cars be prohibited from being used for the carriage of Canadian cattle, or settlers' effects.
- (e.) That no car which has been used for carrying such cattle in transit shall be allowed to re-enter Canada until it has been thoroughly disinfected, first, by scraping and sweeping the floors and sides, and second by washing the entire interior of the car with lime wash, in which one pound of commercial carbolic acid to four gallons of the lime wash has been mixed.
- (f.) That the numbers and marks of the cars used for such transit shall be reported by the Collector of Customs to the Minister of Agriculture.
