

Sir,

In reply to yr. let. of 6th Inst
in regard to land on the
Caradoc Res. which you
desire to lease, I have
to inform you that no
lease can issue until the
land is surrendered & that
the Agent has been written
to in the matter.

I have also to inform
you that the Dept. would
not allow the objection of
the guardian of the Locators
to stand in the way of the
issuance of a lease if it is
found in the best interests
of the Locators that a lease
should issue.
