OFFICE OF
THE UNDER-SECRETARY OF STATE
FOR EXTERNAL AFFAIRS
CANADA.
E.T.

C 40559

Memorandum for the Prime Minister.

5 August, 1925

I enclose copy of a letter from Mr. Pacaud, forwarding a request from "Country Life", London, for advertising. This journal published very extensive views of the new Canadian Building. They ask £150 for a two page illustrated article on the advantages of farming in Western Canada, designed for their rather well-to-do constituency.
